BOY SCOUT WANT FULL MEMBERSHIP

WILL RECRUIT TO FULL
STRENGTH THIS WEEK

TO AID BAND CAMPAIGN

Will Distribute Envelopes Wednesday
Night and Collect Them Friday
—Camp Not Decided.

A drive for new members to recruit the organization up to its full strength of two troops will be carried on this week by the Boy Scouts who met at the Conservatory building last night for re-organization. At a later meeting plans will be made for their fifth annual summer camp.

About thirty boys re-registered last night. Enough new members will be enlisted during the week to make at least two troops of three patrols each. The maximum number which can compose a troop is four patrols, or thirty-two boys.

"There is no doubt that before the end of the week there will be enough and more boys than will be needed to fill both the troops," said M. A. Peery, scoutmaster of Troop 2.

The camp will probably be held some time late in July or early in August. It has not been definitely decided to hold one this year, it depending upon the boys themselves, but the scoutmasters expect at least fifty scouts to be ready to go. The place has not been selected, but the camp will probably be closer home than it was last year, when a site near Albany was chosen.

It is planned to equip the boys with new uniforms. The larger scouts, including chiefly the members of the Panther patrol, will wear the regulation long breeches with leggings. The smaller members will wear "shorts" this summer, with wool stockings rolled below the knees. The style of the official blouse has also been changed by the national organization. The high close fitting collar has been cast into the discard, and the garment modeled after the dress coat of the English army officer. The blouses will probably not be needed, this summer however.

The scouts will meet at Recital hall in the Conservatory building at 7 o'clock Wednesday to distribute the letters and envelopes which are being sent out in the campaign to raise funds for uniforms for the Maryville Concert Band. The boys will collect the envelopes on Friday evening and will then meet to plan their other activities for the summer.

The Scouts pay dues of 10 cents a month. During the winter months, number of the members fell into arrears and they will not be re-registered until the back dues are paid. Floyd Cook is treasurer of Troop 2 and Forrest Martin of Troop 1.

Limited finances did not allow the renting of clubrooms last winter and it was difficult to keep the boys together. Funds ran low and no one offered a meeting place at low rental. There are still a few unpaid bills facing the organization, and it is to take care of these that the officials are demanding that the scouts pay their back dues. No appeal to merchants for funds was made by the Scouts last year, and they do not want to "beg" this summer.

The scout officers are as follows: Troop 1: F. M. Cummins, scoutmaster; Dr. Jesse Miller, Jr., assistant; Troop 2: Marve Peery, scoutmaster; Clifford Hull and Paul Miller, assistants.

STATE HAS MANY GREAT RESOURCES

MISSOURI HIGH IN ALL FIELDS
OF COMMERCE.

MULE RAISING FAMOUS

Military Leaders and Blue Grass are
Produced With Equal Versatility
and Excellence.

How many persons know that Missouri is a state of great resources; that its soils, its mines, its water supply, its fuel supply, its transportation facilities, its large production of raw materials and its central location in the Mississippi Valley offer exceptional opportunities for the farmer, the manufacturer and the man engaged in commerce; and that the position which the state occupies with reference to the North, East, South and West, insures a great commercial development?

With these facts in view, Missouri can be placed in a class of the foremost state of the Union in many things. Some of these are as follows:

Missouri furnished the two most noted American military leaders of the war, Gen. John J. Pershing, commander-in-chief of the American Army, and Gen. Enoch Crowder, who planned and managed the draft.

Missouri's war record in food production was remarkable, the total value of her food crop in 1917 being more than double that of 1916.

Missouri ranks first in poultry, mules, bluegrass, diversified farming, purebred Hereford cattle and in a number of crops and fruits.

Missouri led all other states in the combined production of corn and wheat in 1919—America's greatest grain crops.

The State Historical Society of Missouri stands first in membership among the State Historical Societies west of the Allegheny mountains.

Missouri ranks first in the production of lead and zinc.

Missouri has more state banks than any state in the Union. Savings deposits in her state banks increased from \$51,509,217.09 in 1916 to \$91,537,114.95 in 1920.

Missouri is the only state in the Union that has two Federal Reserve Banks. She also has a farm loan bank.

Missouri has the largest artificial lake in the United States, created for the purpose of generating electricity. It is Lake Taneycome in Taney county.

Missouri has more miles of navigable rivers than any other state.

St. Louis was founded because of the fur trade, has been the center of the fur trade in America since 1820 and is the greatest fur trading market in the world today.

Jackson county, Missouri, is the Herefordshire of America and has more Herefords of superior merit than any other county in the world.

Missouri is the only state in which commercial cotton is picked and stored in place on the same day.

Missouri poultry brings more than half as much wealth each year as is taken from all the gold mines of the United States.

Gentry county, Missouri, grows more blue grass and blue grass seed than any other county in the world.

Missouri was the birthplace of the world's greatest and justly celebrated saddle horse, Rex McDonald.

Missouri is first in quality and flavor of all fruit, not overlooking apples, persimmons or paw-paws.

Missouri is both the first and second largest horse and mule markets in the world.

Missouri is the home of the most famous jack and jennet farm in the world.

Missouri is the first cattle state in the nation when you consider it from the combined standpoint of both grade and purebred cattle, their cost of production, their quality and the cost of grazing and wintering. Missouri leads in livestock profits.

ROAD IDEAS SHOW MANY OPINIONS

SENATE COMMITTEE MEMBERS
HAVE CENTRAL PURPOSE

A CONNECTED SYSTEM

All Agree Maintenance is the Key-
stone of Permanent Good Highways
—Dinner on Details

Jefferson City, June 25.—An afternoon spent with the senate roads committee shows there is general agreement on a system of connected roads. On the important details there is a wide variance of opinion, and a wild surplus of ideas. Naturally every member believes his road ideas particularly on the important details, are the best. There comes the clash. Many good road plans must go into the trash heap before the legislature gets down to brass tacks.

On one general principle that maintenance is the keystone practically every member of the committee was agreed.

"Maintenance means transportation, and transportation is what we desire to give the people," declared Senator Ralph, chairman of the senate roads committee, in explaining his road bill to the committee.

For a State Patrol System
The committee chairman then outlined the provisions in his bill for a state patrol system, which shall begin the maintenance of the state system immediately after it has been designated.

"This will tend to satisfy the people before they get their permanent roads," he added. "There is no plan by which the entire state system may be built at once—not for several years."

On the patrol system for maintenance the senate committee members generally agreed. Senator Ralph then suggested that the maintenance fund best could be obtained by doubling the motor car license tax to collect 2 million additional a year. Senator Irwin of Cole County asked the possibility of using the road patrol as a political machine. Ralph replied it was possible, but not probable under a highway commission of four members as he proposed. It can be no worse than a road overseer's machine, he said.

The Big Stumbling Block Appears
Then came the question that is the big stumbling block in the way of the legislature framing a sane, constructive program:

"How are you going to guarantee each county is to receive its share of road construction and as quickly as every other county?"

"What am I to say to the 'hill bills' when I go home and they ask me when their county is to get its roads built?" asked Senator Belken of Madison County.

The committee generally agreed it would be almost impossible for all counties to expect their state roads improved immediately, but admitted that would not satisfy the constituents at home.

Then Senator Irwin offered a resolution which he said he would insist on being incorporated into any roads bill before he would vote for it. The resolution provides the entire state system shall be graded and culverts and bridges built before a start is made to hard surface the roads.

Federal Aid on Complete Project Only.

"No federal aid will be given except on a complete road project," said Senator McCullough, objecting to the resolution. "Also I call your attention to the fact no federal aid is given on dirt or gravel roads unless the government engineers agree that dirt or gravel will carry the traffic in that particular locality."

"We want something better than what we have now," broke in Senator Belken, in whose home county two big federal aid projects are under way. "We won't travel over dirt roads."

Previous to that Senator Ralph explained his bill provides the salary of the state highway engineer shall be set by the highway board and not by the legislature. That is to permit the state to compete with material concerns in obtaining and keeping the services of the best highway engineers, Ralph said. He added that last year Wisconsin lost 30 per cent of its road engineers, even with its flexible law on salaries.

Wants Business Men in Charge.
Members of the committee objected to that feature of the bill. Slight objection was raised to the provision in the bill allowing the highway commis-

sioners \$10 a day and expenses. Some members of the committee believed they should be paid a regular salary. Ralph said that better men could be obtained without a regular salary, because otherwise places on the committee might be rendered attractive to "two-by-four" politicians, rather than to successful business men.

McCullough desired to know why it was necessary to issue the 60 million dollars of bonds when the state now has surplus road money in the treasury.

Then the committee discussed the feature of the Ralph bill providing that the highway commission shall designate all the roads, using the present state system as a basis.

McCullough suggested it would be better for the legislature to name the road, using the present state system as a basis. Others quickly went over to his views. Senator Proctor suggested that legislative designation would have a good "psychological" effect.

STUDENTS ENDORSE COUNTY UNIT BILL

RESOLUTION PASSES UNANIMOUSLY
AT S. T. C. ASSEMBLY.

TELEGRAPHED TO MILLER

Repudiates Statement of Opposition's
Leader That Educators of State
are Not Behind Measure.

Students and faculty of the State Teachers College united yesterday in unanimously repudiating the statement of O. B. Whitaker, Hickory county representative in the Missouri Assembly, that the educators of the state are not behind the county unit bill.

Meeting in assembly yesterday afternoon, the entire student body of more than six hundred and the faculty adopted a resolution which was sent by telegraph to Dr. Jesse Miller, Sr., Nodaway county's representative. It has also been sent in a letter to E. M. Carter of Columbia, secretary of the Missouri State Teachers' Association. The resolution reads as follows:

"The students and faculty of the Northwest Missouri State Teachers' College, by unanimous vote, repudiate the statement of Representative Whitaker of the Missouri General Assembly that educators of the state are not behind the County Unit Bill, and in assembly Friday, June 24, express our endorsement of this measure."

It was signed by S. C. Richeson, president of the student assembly, and Earl C. Duncan, secretary. These officers were chosen yesterday in an organization perfected for discussion of any questions that may come up later during the summer session.

At the same assembly, the students voted to take Tuesday, July 5, as a holiday and to make up the time lost by attending classes on the following Saturday. The proposition was submitted to them by President Ira Richardson. It will give the students four days, Friday, Saturday, Sunday and Monday, to visit their home over the Fourth of July.

PEOPLES TELEPHONE UNION DISCUSSES REMOVING POLES

Laying Wires in Cables in Conduit
Would Entail Estimated Expenditure of \$4,000

At a meeting of the subscribers of the Peoples Telephone Union held this afternoon at the court house, plans were discussed for doing away with the old telephone poles in Maryville and laying wires in cables in conduits. The expense of this improvement is estimated at over \$4,000.

No definite action was taken at this meeting, the matter merely being discussed among the subscribers. A later meeting will be held to take definite action on the proposition. The telephone company has 940 phones on their exchange here.

TWO ATTEMPTS AT ROBBERY FAILED

THIEVES FRIGHTENED AWAY
LAST NIGHT AT TWO HOMES

ARE DISTURBED IN ACT

Early Return of Miss Elizabeth Keck
Saves Many Valuables—Other
Visit at Colby Residence.

Robbers, thought to have been amateurs, made two unsuccessful attempts to rob Maryville homes last night. The first, at the home of Mr. and Mrs. E. W. Keck, 404 West Second street, was nearly carried out, but was frustrated by the early return of one of the members of the family. The second was at the J. F. Colby home, where the thieves secured nothing.

Silverware was piled in a heap on dining room and kitchen tables when the looting of the Keck home was interrupted. A roll of bills kept to pay household expenses was also left with the silverware. The money amounted to about \$31.

The family were all away from home early in the evening. Miss Elizabeth Keck was the first to return, about 9:45 o'clock. As she stepped on the side porch she stumbled against a chair, and she heard a man running through the front hall and out the front door. The intruder knocked over a jardiniere in the hall in his hurried passage.

Miss Keck was as badly frightened and hurried to the home of Dr. F. M. Ryan for help. When a search of the house was made, silverware and other valuable articles were found piled on tables in the dining room and kitchen. The thief had even left a roll of bills lying on the table. So far as could be determined, he had taken nothing. Keys to the Keck automobile had been taken from their place on one of the walls but were also left on the table. There was much valuable jewelry in the house which the housebreaker did not have time to take with him.

Miss Keck did not see the robber or robbers in their escape and it is not known whether there were one or more.

Another supposed attempt at robbery was made at the home of James P. Colby, 912 South Walnut Street. Mr. and Mrs. Colby were in bed but not asleep, about 12 o'clock, when they heard footsteps leading up a back stairway and heard someone turn the doorknob. When Mr. Colby reached the door, however, the intruder was gone. Nothing was missing from the house.

W. C. PIERCE DOES NOT YEARN FOR STATE JOB

Is Not Applicant For Superintendent
of Insurance or Any Other
Post, He Declares.

W. C. Pierce is not an applicant for appointment as superintendent of insurance in Missouri. Neither is he an applicant for or seeking any other appointment. This statement was made by Mr. Pierce to a Democrat-Forum representative today.

A dispatch from Jefferson City printed in yesterday's Democrat-Forum stated that Mr. Pierce had been frequently mentioned for this position in political circles at Jefferson City. On account of being a close friend of Governor Hyde, it is said. Mr. Pierce has been suggested for several appointments.

Mr. Pierce's term as a member of the board of managers of State Hospital No. 2 at St. Joseph expired recently when the new law was passed creating a bi-partisan State Board of Managers, composed of six members, each.

To Visit at Plattsburg
Mrs. Mary Malotte who has been visiting in Maryville with her son, Dr. Karl Malotte, and family, left this morning for Plattsburg, Mo., to spend the summer with her daughter Mrs. Frank Armstrong.

ADD KECK
The family were all away from home early in the evening. Miss Elizabeth Keck was the first to return, about 9:45 o'clock.

Anyone wishing dressmaking or sewing, call Della Henderson, who will be at home for the next few weeks.

LAMKIN SPEAKS BEFORE HAMILTON CLUB IN CHICAGO

Warns Against Squandering of \$120
Monthly Allowance by Vocational Students.

Uel W. Lamkin, newly elected president of the State Teachers' College of this city, spoke Thursday in Chicago at a luncheon in the Hamilton Club. The following is taken from yesterday's Chicago Tribune:

"Don't let the service men, the vocational education students, squander their maintenance of \$120 a month. Uel W. Lamkin, director of the federal board of vocational education, made this plea yesterday at a luncheon in the Hamilton club.

"The public should see that these men make the most of their opportunity," he said. "More than \$5,000,000 will be spent in Chicago for their maintenance."

RED CROSS FINDS MUCH WORK TO DO

NUMBER OF CALLS FOR AID IS
CONSTANTLY INCREASING

HELPS THE DISABLED

Outline Shows What E-Service Men
Are Entitled to, And How
To Get It.

Although it is nearly three years since the armistice was signed, the American Red Cross finds that the number of disabled ex-service men in need of help is constantly increasing, says Miss Betty Turner, home service secretary.

The Red Cross is charged with the obligation of helping these men just as it was during the war, but often it has difficulty in reaching them. Certain service is available to them from the Red Cross and from the government. It is theirs for the asking.

The Democrat-Forum has been asked by the Red Cross to help ex-service men to get what is due them by publishing a brief outline of the service the government and the Red Cross are prepared to give them.

1. Compensation and medical service. Veterans who can furnish affidavits showing (1) that their disability is due to or aggravated by war service, and (2) that others are dependent upon them, may secure additional compensation from the government or medical treatment where it is needed. The Red Cross will act as agent to help veterans fill out application blanks, and prepare detailed affidavits and see that they reach the proper authorities. The secretary at the nearest Red Cross Chapter will help them do this.

2. Certain cases in which veterans call for occasional medical treatment. Where they have no money, the Red Cross often can provide for them temporarily while this treatment is being given, and, if necessary, often is able to lend small sums of money without interest.

3. In cases where veterans are sent to hospitals, the Red Cross is able to perform these services: (1) see that the man gets transportation to the hospital to which he is assigned; (2) provide means for such recreation as the doctor allows him to enjoy; (3) follow up compensational claims pending with the Bureau of War Risk Insurance; (4) files his application for vocational training and (5) endeavors to look after his family during his absence.

4. Where a veteran's condition warrants it, the Red Cross will provide financial aid, pending the outcome of (Continued on page 4)

Mine Head Attacked for Calling Off
Strike in 1919—Vote Is
25,022 to 12,324.

Denver, June 25.—Samuel Gompers, 71-year-old veteran, scored the greatest triumph of his career here today when for the fortieth time he was elected president of the American Federation of Labor. The official vote was Gompers 25,022; Lewis 12,324.

The coal strike of 1919 was made the leading issue of the election by Gompers supporters. Speeches nominating the veteran attacked Lewis for his action in calling off the strike. Lewis was challenged to face his accuser who charged him with "yellowness" in revoking the strike order.

Denver, June 25.—Today the hand of fate will determine whether Samuel Gompers will meet the end of his forty years' career as the leader of the American labor movement.

When balloting for president began at the 41st annual convention of the American Federation of Labor early today, supporters of John Lewis, head of the United Mine Workers of America, and 41-year-old opponent of the veteran of the labor organization, were claiming victory by an overwhelming vote. The Gompers forces admitted Lewis has a strong fighting chance because of last minute "flops."

EXPERTS TO PLAN FIGHT ON HESSIAN FLY HERE

Entomologist Will Visit Infested
Wheat Fields and Make Recommendations
for Pest's Eradication.

A. C. Burill, an entomologist of the agricultural extension service of the University of Missouri will arrive in Maryville June 29 and will spend June 30 investigating the hessian fly situation in this county. His investigation will be made to determine recommendations for hessian fly control this fall.

The pest has been in several fields in the county this spring. The expert will visit these fields and determine the extent of infestation. A vigorous campaign to eradicate the fly will probably be waged this fall.

PHILOS AND EUREKANS TO CLASH IN BASKETBALL

Post Season Game Is Scheduled for
Thursday to Settle Long-Standing
Rivalry.

A post season basketball game will be held at the college next Thursday afternoon, when the Eureka and Philomathean Literary Societies will clash.

Rivalry has been between the two societies this summer and this fall.

Dope is not obtainable on the outcome of the contest, as neither of the managers of the teams has announced his line-up. The Eurekaans have perhaps the largest number of players to pick from, but there are several players in the Philos' ranks who have shown up well in past years.

Big Bill Richards is the captain of the Eureka team and Charles Wells is captain of the team from the Philos.

Loren Egley, Russel Allan, and Floyd Foreman will leave Monday for South Dakota to work on the ranch of Egley's uncle, John Thompson.

Rev. E. J. Speer returned to the old home in northeastern Missouri two or three weeks ago to move his family out here to his charge.

While gone he was taken sick, and was detained a few days. He and a boy came in last Friday night and the other members of the family will arrive in a few days, and all be at home in the parsonage of the M. E. church, South.

A child of T. D. Calfee of Hale, Mo., was killed by a horse Tuesday of this week and died as a result.

J. W. Calfee and C. L. Calfee, brothers of T. D. Calfee left Wednesday to attend the funeral.

Mrs. C. L. Calfee went along with them. The child was about eight years of age, and their oldest girl.

The Hopkins Journal.

Geo. Kivett, 19 years of age, came near drowning one day last week while in bathing in the 192 river with several other boys of about the same age. George cannot swim and when he got into the water beyond his depth, he went down and when he came up, he was strangling. Fritz Mutti, is not as large nor as old as George, but swims well and at once went to George's aid and after quite a struggle, succeeded in getting George "where he could touch bottom." Ed Webb will now have to share honors with Fritz in the sobriquet "the Little Hero."

Rev. O. W. Freeman and wife arrived home Monday night from Kansas City. Mr. Freeman is feeling as well as could be expected after undergoing an operation and expects to fill his pulpit next Sunday night.

Seventy-eight years ago in Michigan, T. W. Porter of this city celebrated his first birthday. He did not care as much about it or have as good a time, as he did last Sabbath afternoon, when his good wife invited the family in to help him celebrate his 78th milestone. About twenty-six were present to enjoy the refreshments of ice cream, cake and candy and to wish him many more birthdays as happy in the years to come.

Drew Ferguson purchased the blacksmith shop from W. O. Snyder last Friday and took possession Wednesday morning. Ferguson is a son-in-law of Mr. and Mrs. Wm Hager and is making his home at the Hager home. Ferguson is a good blacksmith and will no doubt have good patronage.

Considerable excitement was shown just west of Barnard Tuesday when a crowd of people from that neighborhood were looking for Wayne Cotter, whom they thought was lost. It seems that Wayne went fishing in the morning, expecting to return at noon. Either the fish were biting good or time passed quickly, for when he returned home he found no one there and so went toward the home of his parents, Mr. and Mrs. John Cotter.

He found no one at his parents home either, and was about to return to his fishing when the phone rang and he "listened in". The conversation over the phone was something like this:

"Have they found him yet?"
"No, no one seems to know where he went. A number are along the river looking for him."
Cotter, (huffing in) "Who are they looking for? Who is lost?"
"Wayne Cotter."
"Well, you don't have to look any further for this Wayne."

Tuesday the W. G. Carpenter garage was confronted with a condition a little out of the ordinary. The big White truck belonging to Fred Gowdy on ranch eight was reported out of commission, and they were given the job of bringing it to the garage for repairs. The service car was not large enough to pull the truck in, so the boys harnessed up a Fordson tractor and went after it.

Miss Margaret Miller of Kansas City arrived here yesterday morning and will visit at the home of her parents, Mr. and Mrs. L. E. Miller, until Sunday. The Skidmore News.

Four boys between the ages of 13 and 16 years were held up and robbed about one mile west of town last Saturday night about midnight.

Harry and John Fullerton, sons of Mr. and Mrs. Sherman Fullerton, had walked to town early in the evening, and two sons of Chas. Hall, had come on horseback. Shortly before midnight the four boys started home, all walking, the Hall boys leading their horses. Near the Geo. Collins farm, one mile west of town, they met a car. A man got out of the car and pointing a gun at the boys, demanded their money. He obtained fifty cents from one of the Fullerton boys. None of the others had any money.

Mr. Whitmore of Kansas City, a representative of the E. T. Archer Co., came Monday evening and made a survey of the city of Skidmore, preliminary to offering an estimate on the cost of a water system. Having gained the necessary information, and a map of the town, he returned to Kansas City Tuesday evening and will send in his estimate as soon as possible.

Harry Work underwent an operation at Maryville last week, caused by the wound he received while in service. The last report was that he was resting well and getting along nicely. Wheat harvest is about finished in this neighborhood. Most all the wheat between Skidmore and Maryville was cut by Wednesday of this week. Straw and heads are short but the quality is reported as being pretty fair. This is about the earliest that harvest has been in this part of the state for some time.

W. F. Barber and family motored to Maryville Saturday evening to see their daughter, who has been in the hospital for the past ten days. The little girl fell off the fence, breaking her leg just below the hip. She is getting along as well as could be expected.

A. F. Howden came home Wednesday to attend to business for a few days. Mr. and Mrs. Howden have been visiting their three sons in Kansas City for the past three weeks, and expect to make a visit in Illinois within the next month.

I. R. Willets, of Baxter Springs, Kan., came Tuesday morning. He sold his property in the east part of town to W. R. Linville. Mr. Willets will leave for Baxter Springs the last of the week.

The Conception Courier.

Little Joseph, son of Mr. and Mrs. A. J. Kimmitt, had the misfortune to fall and break his collar bone recently. At the present time he is getting along nicely.

Mr. and Mrs. Leslie Nye of Keytesville, Mo., formerly of Parnell, were guests at the L. E. Began home Wednesday evening.

Before her marriage Mrs. Nye was Miss Corrine Coffman.

Mrs. G. S. Parrott entertained a number of young folks on Wednesday evening of last week in honor of her daughter, Mildred.

Those present were Misses Thelma Buckridge, Ludema Tannehill, Marjorie Walters, Emma Thomas, Edith Giles, Vestal Weatherman, Grace, Bertha and Mabel Lattin, Messrs. Orval and Lawrence Hodges, Haleott Toel, Emmett and John Tannehill, Delbert and Leonard Morrissey, Paul Walsh, Paul Roof, Frank Schaefer, Chester Walters, Dr. R. F. Farrel and wife, John Walsh and wife.

Miss Lennie Roof, accompanied by Mrs. A. E. Coffman of Parnell, left this morning for an extended visit with friends at Valiant, Colo., and other western cities.

The Parnell Sentinel.

Mr. and Mrs. T. A. Brashear returned last week from Secor, Ill., where they visited Mr. Brashear's sister, Mrs. G. L. Patterson, who has been very ill with diabetes for several months. Mrs. Patterson will be 90 years old in September. Another brother, R. M. Brashear, Kirksville, Mo., was also present. The combined ages of the two brothers and sister is 246 years or an average of 82 years. Mrs. Patterson being 90, T. A. Brashear being 84, and R. M. Brashear 75.

B. E. Mumford brought in two fine catfish the latter part of last week that weighed seven pounds each. Uncle Frank catches nothing but the big ones.

O. W. Keever has a field of fine corn that he had "laid by." Oscar knows how to make the corn grow.

The Guilford Times.

Harold Brown, son of Herb Brown and wife, had the misfortune to get one of his thumbs torn off at the first joint Tuesday evening. He was shutting the pasture gate after taking his cow out, when another cow ran into the gate and his thumb was caught between the gate and post, tearing it off.

Mrs. Lizzie Clark has returned from Rochester, Minn., where she underwent treatment at Mayo Sanitarium.

Mrs. T. D. Parr of Hamilton, Mo., is here visiting her mother, Mrs. Mary Whiteford and other relatives.

The farm clubs of this vicinity will foster a real country celebration on July 4 in a grove on the Hugh Whiteford farm.

There will be a big basket dinner, fried chicken 'en everything.

The whole community is invited to join in and help make this the glorious success that the patriotic day should be; and the way it looks now it will be, for a very interesting program has been arranged: speeches, band music,

moving pictures on the speakers' platform at night and various other features.

The Clearmont News.

The wheat harvest has been in full blast for the past week, and if the weather continues good the most of the wheat in this locality will be in the shock by Saturday night.

Another street light has been put up on the main business street this week. The light is near the crossing in the center of the main business block. This is a good idea and will make the street much lighter.

Mrs. A. P. Skeed went up to Clarinda Saturday and attended the funeral Sunday of her brother-in-law, Andrew Fesse, father of Everett Fesse, who formerly lived here. Mr. Fesse was past 83 years of age. He died very suddenly, being out in his yard when he fell to the ground and died before he could be taken into the house.

Ludlow Crane, who has been attending school at Urbana, Ill., since last fall, returned home last week, his school being out.

Circus By Motor Trucks

An Eastern circus organization will tour the country this year in motor trucks costing from \$12,000 to \$30,000 apiece. It is estimated the saving in rail charges will go a long way to pay for this equipment. The motorized circus will be able to travel anywhere and, being independent of train service, may make towns not often visited by large shows.

Elmer Young and William Trullinger of Bedison are in town today.

Mr. and Mrs. Roy Lyle of Burlington Junction are Maryville visitors today.

Virgil Rathbun Home.

Virgil Rathbun, a student of the Missouri University at Columbia, arrived home yesterday to spend the summer with his parents, Mr. and Mrs. Eugene Rathbun.

China Plans Air Service

A special issue of airplane service stamps of 15, 30 and 45-cent denominations has been prepared by the Chinese post office department, in anticipation of the air transmission planned for the near future in that country.

Parrot Jams Traffic

A green parrot swinging in a tree in Evanston, Illinois, jammed traffic for blocks by calling out, "Not so fast—go slow! Stop!" The same squad of officers who captured the parrot rounded up an organ grinder who had a monkey trained to climb into second-story windows and pass out articles of value. When captured the monkey had a valuable vase and lavaliere which he had stolen from a bedroom.

Chinese First Settlers

Prehistoric Mexico was occupied and colonized by Chinese, according to archeologists—whose researches have resulted in discoveries of incense burners and peculiar three-legged dishes made only by the Chinese.

J. W. LATTIN, CONCEPTION JUNCTION, DISAPPEARS

Was Last Seen in Maryville Last Wednesday—May Have Become Mentally Unbalanced

J. W. Lattin of Conception Junction has disappeared from his home and has not been heard from since Wednesday morning, June 15. He was seen in Maryville on that day. Since then no word of any kind has been received by his wife or friends.

Mrs. Lattin thought her husband might have become mentally unbalanced through becoming overheated while working on the section gang the day before. He spent a bad night, his wife says. She could give no reason why he might have left his home. Lattin is about 50 years old. He has black hair, a sandy mustache, saw low complexion, weighs about 130 pounds and when last seen wore a green coat, blue trousers, blue shirt and black hat.

The county authorities have not been notified.

MOTTOES OF THE STATES

All the states have mottoes and most of them are very inspiring. Here is a list:

Alabama, "Here we rest"; Arizona, "Founded by God"; Arkansas, "The people rule"; California, "I have found it"; Colorado, "Nothing without God"; Connecticut, "He who transplanted still sustains"; Delaware, "Liberty and independence"; District of Columbia, "Justice to all"; Florida, "In God we trust"; Georgia, "Wisdom, justice, moderation," and "Agriculture and commerce"; Idaho, "Hail"; Illinois, "National union, state sovereignty"; Iowa, "Our liberties, we prize, and our rights we will maintain"; Kansas, "To the stars through all difficulties"; Kentucky, "United we stand, divided we fall"; Louisiana, "Union, justice and confidence"; Maine, "I direct"; Maryland, "Manly deeds, womanly words," and "You have crowned us with the shields of your will"; Massachusetts, "With the sword she seeks quiet peace under liberty"; Minnesota, "The star of the north"; Michigan, "If thou seekest a beautiful peninsula, behold it here"; Missouri, "The welfare of the people is the supreme law"; Montana, "Gold and Silver"; Nebraska, "Equality before law"; Nevada, "All for our country"; New Mexico, "It increases by going"; New York, "Excelsior"; North Dakota, "Liberty and union, one and inseparable, now and forevermore"; Oregon, "The union"; Pennsylvania, "Virtue, liberty and independence"; Rhode Island, "Hope"; South Carolina, "Prepared in mind and resources, ready to give life and property," and "While I breathe I hope"; South Dakota, "Under God the people rule"; Tennessee, "Agriculture, commerce"; Vermont, "Freedom and unity"; Virginia, "Ever so to tyrants," and "Perseverance"; Washington, "Bye-bye"; West Virginia, "Mountaineers are always free men," and "Liberty and fidelity"; Wisconsin, "Forward"; Wyoming, "Let arms yield to the gown."

Gold in Coal Field

In the Cambria coal field of Wyoming, small quantities of gold and silver are present in the coal veins. In South Africa a similar occurrence has been noted, the coal occurring in a small seams running through the quartzite ore.

The best seats in a theatre from a visual point of view are those in the first tier of dress circle.

Find Boa on Ship

A twelve-foot boa constrictor, a stowaway from some tropical port, recently arrived in New York Harbor where he was stunned by a fall caused when the Hoboken workmen tore away his resting place. He was boxed up and sent to the zoo. Floods have been prevalent in the tropics and it is thought he crawled through a porthole from a drifting tree.

Miss Marie Cook has returned to her work at the Yehle Dry Goods Company after a six weeks' vacation.

Mr. and Mrs. Fred Yeomans of Sheridan are visiting with Mrs. Yeomans' sister, Mrs. N. F. Humber today.

R. S. Broyles has returned from Bethany, Mo., where he visited his brother, Dr. F. H. Broyles, for several days.

CONGRESS PROBES FARM CONDITIONS

JOINT COMMITTEE BEGINS ITS INVESTIGATIONS.

HOW BILLS NOW STAND

Cooperative Marketing and Anti-Grain Speculation Measures Pass House and are Now Before Senate.

Washington, D. C., June 25.—The joint Congressional Commission to investigate agricultural conditions will organize and begin its inquiries next week. Senator Irvine L. Lenroot of Wisconsin is chairman. The other Senate members are Arthur Capper of Kansas, Charles L. McNary of Oregon, Joseph T. Robinson of Arkansas, and William J. Harris of Georgia. The House members are Frank H. Funk of Illinois, Sydney Anderson of Minnesota, Ogden L. Mills of New York, and Peter G. Ten Eyck of New York.

A number of representatives of cold storage interests have been by the agricultural committee on cold storage legislation. Chairman George N. Haugen of the House Agricultural Committee has introduced a bill, authorizing the Secretary of Agriculture to fix standards and inaugurate an inspection service.

Upon receiving the Haugen packer bill the Senate Committee on Agriculture substituted, with the exception of the enacting clause and the number, the Norris bill and has discussed it for several days.

The Tinchier bill, which prohibits short selling of grain and which has passed the House, is lodged with the Senate Agricultural Committee.

The Volstead Cooperative Marketing Bill has passed the House and is with the Senate Judiciary Committee. Hearings on the French Truth-in-Fabric Bill probably will not be reopened until after July 4.

The Curtis Bill making 5 1-2 per cent interest permissible on Federal Farm Loan Bonds passed the House and is before the Senate.

Cotton farmers in the districts where the pink boll worm is known to exist, who have lived up to the regulations promulgated by the Sec-

retary of Agriculture where he has established non-cotton zones, will be reimbursed in part by the Federal Government for their losses. This was made possible by the passage of a joint resolution making available \$200,000 for this purpose.

The meeting of millers, elevator men, insurance interests, and farmers, called by Secretary of Agriculture, Harry C. Wallace and Secretary of Commerce Herbert Hoover on June 13 to consider the feasibility of a warehouse receipt financing plan resulted in the appointment of a committee to prepare recommendations. The Farm Bureau did not care to go on a joint committee, but is taking the general proposal under advisement.

Girl Walks 40 Miles to Wed

Durango, June 24.—Rough roads and swollen streams failed to dampen the ardor of an Indian maiden living on the Ute reservation south of here.

When John Miller, a Navajo ranch hand, could not afford to "lay off" in order to go to the girl he had promised to wed, he sent word for her to join him at the Wyatt ranch on the Red Mesa, near here, where they were married.

It was forty miles from her home to Wyatt ranch. She walked the entire distance, leading a goat as her betrothal gift. When she reached La Plata river it was out of bounds and there was no bridge for many miles. She staked the goat in a grassy plot and swam the river, continuing her walk to the Wyatt ranch. The newlyweds later rescued the goat.

Married With Two Black Eyes
Chicago, June 24.—Anthony Jorgensen, manager of a rubber company, claims to be Chicago's only "black-eyed" bridegroom.

Jorgensen was wedded to Miss Laura Hansen, of Evanston, while carrying two beautifully-decorated eyes. One black and purple, the other purple and black.

Jorgensen tried to crank his "flivver" on the morning of his wedding. The flivver balked and biffed him between the eyes.

"He looks good enough to me even with 'black eyes,'" said Mrs. Jorgensen as the knot was tied.

Ants Menace Building

A one-hundred-thousand-dollar exchange building in Wichita, Kansas, is threatened with destruction from hordes of ants, driving upward from the earth through mud tubes. Oak lumber stored under the building has been practically consumed and the ants have tunneled as far as the second floor following pipe lines. Fly paper placed in the path of the ants was bridged with dirt by the insects.

Frank Dick of Arkoe is in Maryville today on business. He reports that the roads are in good condition.

ALLEGED WAR GRAFTERS WILL BE PROSECUTED

Harry Stimson Is Urged to Direct the Government's Inquiry—Ablest Lawyers to Assist.

Washington, June 25.—Harry Stimson of New York has been asked by Attorney General Daugherty to direct the government's search and prosecution of alleged war grafters, it was learned today. Stimson was a member of the cabinet of former President Taft. He has been urged by Daugherty to accept the post with assurance that he will have assistance of some of the country's ablest lawyers. Stimson is now abroad.

MALE SINGERS AT COLLEGE ORGANIZE A GLEE CLUB

Meeting This Afternoon Reveals Several Good Voices—Prof. C. D. Kutschinski Director

A meeting was held this afternoon at four o'clock at the conservatory of music for the purpose of organizing a men's glee club at the College. There were a number of men present who have had training in voice before, and Prof. C. D. Kutschinski expects to have a good club in running order within a week or so.

Since the summer is already partially over it will not be possible to teach anyone to sing, Professor Kutschinski says. The purpose is to teach those who already know how to sing to get together and produce some harmony.

This is the second time this year that plans have been made for a glee club. The other time was in the winter quarter. About twenty men enrolled in the club but there was not good attendance at the rehearsals.

HOUSE AUTHORIZES G. O. P. TO APPOINT 101 CLERKS

Jefferson City June 25.—The House adopted today a resolution authorizing the Republican members to appoint 104 clerks, in addition to 10 employees on the doorkeeper's force, 5 pages and 8 stenographers. The clerical work of the session will be light and the House started off with this.

Five clerks allotted to the Democratic minority were cut off upon the motion of Representative Charles Ferguson of Ripley, a Democrat, who said that twice as many clerks had been authorized by the majority as was needed to transact the business of the House.

Next Week At the Movies

At The Empire

William S. Hart, the famous motion picture star, firmly believes that there is no human love or loyalty that exceeds that of an animal for a man. Probably Mr. Hart's most cherished possession is his beautiful Pinto pony the veteran of many a hazardous feat before the camera. Since the filming of "The Toll Gate", the new Hart picture coming Monday and Tuesday. Bill loves the Pinto more than ever with reason.

In his role of Black Deering, leader of a bandit gang, Bill is hotly pursued by a sheriff's posse. He escapes them at one point by making a leap of over sixty feet from a cliff into the raging river below. But again they pick up the trail. This time Bill, as Deering, seeks to elude them by riding his Pinto pony into the river bed and following the stream as it leads into a subterranean passage under the cliffs.

The location for this scene was Sonora, in Northern California. Bill rode his pony into the Stygian blackness of the underground water trail. But suddenly the water grew deeper. The Pinto started to swim. Its hoofs struck an underwater ledge, and he slipped backward, throwing Bill into the icy cold stream. The beast tried in vain to climb the steep sides of the cave. He tumbled backwards. Then followed a grim fight with death in the part of both man and beast, until at last the Pinto saw a glint of light and swam to it with mad speed, dragging Bill Hart after him.

"He sure saved my life," said Bill later, "and he can have all I have got."

On Wednesday and Thursday Hobart Bosworth will be seen in the leading role of "The Brute-Master". No advance information is available on this picture. There will also be a Sunshine comedy on Wednesday night and Pathe News and the next episode of "The Ranger" on Thursday night.

Music lovers of Maryville have a treat in store for them on next Wednesday and Thursday. Brown Brothers Saxophone Six, considered by critics throughout the country as one of America's most entertaining organizations will be the feature attraction on these two nights. In the past few years saxophones have become a very popular musical instrument and to hear a saxophone sextette is a rare treat, as there is only two of these such attractions on the road today. For the last few years, Brown Brothers have been recognized as premier saxophone artists of the country. They have made all the saxophone records for the Columbia Phonograph Co. for the last five years and for 36 weeks were at the Amsterdam Roof Garden with the Midnight Follies. This sextette comes from Omaha where they have been playing the last week and from here they go to Kansas City.

Do you believe the second choice in love is sometimes the right one? When pretty Judith married Billy Westover, the quality in him that chiefly attracted her was a certain wild happy-go-luckiness. And that, combined with his taste for surreptitious liquor and cabarets, led finally to their divorce, a few hours before Billy met his fate in front of a motor truck. Judith witnessed the accident, but she hadn't heard that a slump in the Stock Market had wiped out Billy's fortune just previously. Nor was she aware in the months that followed that Princeton Hadley, Billy's chum, was living up to an agreement and paying alimony to her lawyer that should have come out of her

ex-husband's estate. And when Judith discovered this she also discovered that she was in love with Princeton.

How it all turns out is best left to Enid Bennett and the clever cast of players who are supporting her in her new Ince picture, "Her Husband's Friend," showing Friday and Saturday. Miss Bennett was never more winsome and the romantic story by Marjorie Benton Cooke fits her like a glove.

At The Electric

"Sheltered Daughters", starring Justine Johnston will be shown Monday and Tuesday. It is a story of New York life, and shows some of the adventures which came to a girl who had been kept closely confined at home by a too careful father, and permitted no knowledge of life save as she found it in romantic novels. Naturally enough, her ignorance of life very nearly led her into trouble, and it was only the kindness of fate and the alertness of her lover that saved her from an international scandal.

On Wednesday night Louise Glaum and Charles Ray will be featured in "The Wolf Woman". The plot is built around Lella Aradelle who makes a religion of her beautiful body and is serene in the knowledge that no man had ever withstood the lure of her sensuous attractions. To enslave and then cast aside her victims had become a passion. The mother of Rex Walden, Lella's latest lover, in an attempt to save her boy, begs her eldest son, Franklin to intercede with the siren; but he, too, becomes ensnared in the net, and not even the suicide of Rex lessens the mad infatuation. But Adele, Franklin's fiancée, contrives to meet Lella, and thereafter to visit her often, accompanied by Franklin; and the contrast between the two women is so forcibly brought out that Franklin at last realizes the tawdry tinsel of the soul of Lella and turns again to his sweetheart.

Lella spurned for the first time in her life becomes mad with rage and seeks succor in drink. While floating over her beautiful image before a mirror she falls and her face is hideously scarred forever. Forsaken she is left alone to battle with remorse during the long gray years to come.

"Ducks and Drakes" is the name of the feature picture for Thursday and Friday, with Bebe Daniels in the leading role. "Ducks and Drakes" tells a most amusing and original story of a modern young girl who is making one frantic stab for the pleasures of life before settling down to what she considers the humdrum of matrimony.

One of her principal methods of gratifying a craving for excitement is to call random numbers on the telephone, engaging in a quiet flirtation should the answering voice be agreeable and masculine.

Such promiscuity while diverting, could easily have got Teddy into danger—and this fact Rob Winslow, her fiancé, determines to drive home to her tightly mind. He enlists as aides in the plot three fellow club members, two of whom have already figured as the other party in some of Miss Teddy's clandestine phone "parties". The resulting conspiracy carries the star into many complications with such bewildering rapidity as to bring the laughs in an unbroken stream.

Realtor has assembled an excellent cast to support Miss Daniels in the production. Jack Holt the leading man, is one of the most popular actors in his profession, while Wade Boteler, William E. Lawrence and Edward Martindel have all appeared at various times in leading roles in Realtor productions.

Miss Elizabeth Cook, who taught the last year at Omaha, Neb., is home to spend the summer with her mother, Mrs. Paul J. Cook.

MARYVILLE ATHLETIC CLUB OPENS BASEBALL SEASON

St. Joseph Stockyards Team Will Meet Creston White Sox—Starts at 3 o'clock

The Maryville Athletic Club baseball team plays its first game tomorrow with the Creston White Sox, a salaried team sponsored by the American Legion of Creston.

The local representatives are the St. Joseph Stock Yards, playing for the Athletic Club. This team is composed of a fast aggregation of ball players. Some of the local boys may break into the club line-up if they can make the grade. The St. Joseph boys are fast and it will take a fast player to displace any man on the team. Loren Eskey, who played on the freshman team at the University of Missouri, is one of those who will probably be given a chance to show their speed in the next few weeks.

The game will start promptly at 3 o'clock, according to T. F. Reimer, one of the business men backing the club.

"Tell them to be on time because the game will start at three o'clock if there are only two spectators present," he said.

Bartholomew and Newlon will umpire the game. These men are both competent officials and the game will be run off speedily and squarely.

The Stockyards team is a salaried aggregation. They will receive sixty per cent of the gate receipts of every game that they win and forty per cent of the ones that they lose.

DRESSMAKER MADE WELL

Followed a Neighbor's Advice and Took Lydia E. Pinkham's Vegetable Compound

Vernon, Tex.—"For three years I suffered untold agony each month with pains in my sides. I found only temporary relief in doctor's medicine or anything else I took until my husband saw an advertisement of Lydia E. Pinkham's Vegetable Compound. I mentioned it to a neighbor and she told me she had taken it with good results and advised me to try it. I was then in bed part of the time and my doctor said I would have to be operated on, but we decided to try the Vegetable Compound and I also used Lydia E. Pinkham's Sanative Wash. I am a dressmaker and am now able to go about my work and do my housework besides. You are welcome to use this letter as a testimonial as I am always glad to speak a word for your medicine."—Mrs. W. BOY SCOUT WANT FULL MEMBERSHIP

WILL RECRUIT TO FULL
STRENGTH THIS WEEK

TO AID BAND CAMPAIGN

Will Distribute Envelopes Wednesday
Night and Collect Them Friday
—Camp Not Decided.

A drive for new members to recruit the organization up to its full strength of two troops will be carried on this week by the Boy Scouts who met at the Conservatory building last night for re-organization. At a later meeting plans will be made for their fifth annual summer camp.

About thirty boys re-registered last night. Enough new members will be enlisted during the week to make at least two troops of three patrols each. The maximum number which can compose a troop is four patrols, or thirty-two boys.

"There is no doubt that before the end of the week there will be enough and more boys than will be needed to fill both the troops," said M. A. Peery, scoutmaster of Troop 2. The camp will probably be held some time late in July or early in August. It has not been definitely decided to hold one this year, it depending upon the boys themselves, but the scoutmasters expect at least fifty scouts to be ready to go. The place has not been selected, but the camp will probably be closer home than it was last year, when a site near Albany was chosen.

It is planned to equip the boys with new uniforms. The larger scouts, including chiefly the members of the Panther patrol, will wear the regulation long breeches with leggings. The smaller members will wear "shorts" this summer, with wool stockings rolled below the knees. The style of the official blouse has also been changed by the national organization. The high close fitting collar has been cast into the discard, and the garment modeled after the dress coat of the English army officer. The blouses will probably not be needed, this summer however.

The scouts will meet at Rectal hall in the Conservatory building at 7 o'clock Wednesday to distribute the letters and envelopes which are being sent out in the campaign to raise funds for uniforms for the Maryville Concert Band. The boys will collect the envelopes on Friday evening and will then meet to plan their other activities for the summer.

The Scouts pay dues of 10 cents a month. During the winter months, number of the members fell into arrears and they will not be re-registered until the back dues are paid. Floyd Cook is treasurer of Troop 2 and Forrest Martin of Troop 1.

Limited finances did not allow the renting of clubrooms last winter and it was difficult to keep the boys together. Funds ran low and no one offered a meeting place at low rental. There are still a few unpaid bills facing the organization, and it is to take care of these that the officials are demanding that the scouts pay their back dues. No appeal to merchants for funds was made by the Scouts last year, and they do not want to "beg" this summer.

The scout officers are as follows: Troop 1: F. M. Cummins, scoutmaster; Dr. Jesse Miller, Jr., assistant; Troop 2: Marve Peery, scoutmaster; Clifford Hull and Paul Miller, assistants.

STATE HAS MANY GREAT RESOURCES

MISSOURI HIGH IN ALL FIELDS
OF COMMERCE.

MULE RAISING FAMOUS

Military Leaders and Blue Grass are
Proud With Equal Versatility
and Excellence.

How many persons know that Missouri is a state of great resources; that its soils, its mines, its water supply, its fuel supply, its transportation facilities, its large production of raw materials and its central location in the Mississippi Valley offer exceptional opportunities for the farmer, the manufacturer and the man engaged in commerce; and that the position which the state occupies with reference to the North, East, South and West, insures a great commercial development?

With these facts in view, Missouri can be placed in a class of the foremost state of the Union in many things. Some of these are as follows:

Missouri furnished the two most noted American military leaders of the war, Gen. John J. Pershing, commander-in-chief of the American Army, and Gen. Enoch Crowder, who planned and managed the draft.

Missouri's war record in food production was remarkable, the total value of her food crop in 1917 being more than double that of 1916.

Missouri ranks first in poultry, mules, bluegrass, diversified farming, purebred Hereford cattle and in a number of crops and fruits.

Missouri led all other states in the combined production of corn and wheat in 1919—America's greatest grain crops.

The State Historical Society of Missouri stands first in membership among the State Historical Societies west of the Allegheny mountains.

Missouri ranks first in the production of lead and zinc.

Missouri has more state banks than any state in the Union. Savings deposits in her state banks increased from \$51,509,217.09 in 1916 to \$91,537,114.95 in 1920.

Missouri is the only state in the Union that has two Federal Reserve Banks. She also has a farm loan bank.

Missouri has the largest artificial lake in the United States, created for the purpose of generating electricity. It is Lake Taneycomo in Taney county.

Missouri has more miles of navigable rivers than any other state.

St. Louis was founded because of the fur trade, has been the center of the fur trade in America since 1820 and is the greatest fur trading market in the world today.

Jackson county, Missouri, is the Herefordshire of America and has more Herefords of superior merit than any other county in the world.

Missouri is the only state in which commercial cotton is picked and storage ice put up on the same day.

Missouri poultry brings more than half as much wealth each year as is taken from all the gold mines of the United States.

Gentry county, Missouri, grows more blue grass and blue grass seed than any other county in the whole world.

Missouri was the birthplace of the world's greatest and justly celebrated saddle horse, Rex McDonald.

Missouri is first in quality and flavor of all fruit, not overlooking apples, persimmons or paw-paws.

Missouri is both the first and second largest horse and mule markets in the world.

Missouri is the home of the most famous jack and jennet farm in the world. Missouri is the first cattle state in the nation when you consider it from the combined standpoint of both grade and purebred cattle, their cost of production, their quality and the cost of grazing and wintering. Missouri leads in livestock profits.

ROAD IDEAS SHOW MANY OPINIONS

SENATE COMMITTEE MEMBERS
HAVE CENTRAL PURPOSE

A CONNECTED SYSTEM

All Agree Maintenance is the Key-
stone of Permanent Good Highways
—Dinner on Details

Jefferson City, June 25.—An afternoon spent with the senate roads committee shows there is general agreement on a system of connected roads. On the important details there is a wide variance of opinion, and a wild surplus of ideas. Naturally every member believes his road ideas particularly on the important details, are the best. There comes the clash. Many good road plans must go into the trash heap before the legislature gets down to brass tacks.

On one general principle that maintenance is the keystone practically every member of the committee was agreed.

"Maintenance means transportation, and transportation is what we desire to give the people," declared Senator Ralph, chairman of the senate roads committee, in explaining his road bill to the committee.

For a State Patrol System

The committee chairman then outlined the provisions in his bill for a state patrol system, which shall begin the maintenance of the state system immediately after it has been designated.

"This will tend to satisfy the people before they get their permanent roads," he added. "There is no plan by which the entire state system may be built at once—not for several years."

On the patrol system for maintenance the senate committee members generally agreed. Senator Ralph then suggested that the maintenance fund best could be obtained by doubling the motor car license tax to collect 2 million additional a year. Senator Irwin of Cole County asked the possibility of using the road patrol as a political machine. Ralph replied it was possible, but not probable under a highway commission of four members as he proposed. It can be no worse than a road overseer's machine, he said.

The Big Stumbling Block Appears

Then came the question that is the big stumbling block in the way of the legislature framing a sane, constructive program:

"How are you going to guarantee each county is to receive its share of road construction and as quickly as every other county?"

"What am I to say to the 'hill billy' when I go home and they ask me when their county is to get its roads built?" asked Senator Belken of Madison County.

The committee generally agreed it would be almost impossible for all counties to expect their state roads improved immediately, but admitted that would not satisfy the constituents at home.

Then Senator Irwin offered a resolution which he said he would insist on being incorporated into any roads bill before he would vote for it. The resolution provides the entire state system shall be graded and culverts and bridges built before a start is made to hard surface the roads.

Federal Aid on Complete Project Only.

"No federal aid will be given except on a complete road project," said Senator McCullough, objecting to the resolution. "Also I call your attention to the fact no federal aid is given on dirt or gravel roads unless the government engineers agree that dirt or gravel will carry the traffic in that particular locality."

"We want something better than what we have now," broke in Senator Belken, in whose home county two big federal aid projects are under way.

"We won't travel over dirt roads," he declared.

Previous to that Senator Ralph explained his bill provides the salary of the state highway engineer shall be set by the highway board and not by the legislature. That is to permit the state to compete with material concerns in obtaining and keeping the services of the best highway engineers, Ralph said. He added that last year Wisconsin lost 30 per cent of its road engineers, even with its flexible law on salaries.

Wants Business Men in Charge.

Members of the committee objected to that feature of the bill. Slight objection was raised to the provision in the bill allowing the highway commis-

sioners \$10 a day and expenses. Some members of the committee believed they should be paid a regular salary. Ralph said that better men could be obtained without a regular salary, because otherwise places on the committee might be rendered attractive to "two-by-four" politicians, rather than to successful business men.

McCullough desired to know why it was necessary to issue the 60 million dollars of bonds when the state now has surplus road money in the treasury.

Then the committee discussed the feature of the Ralph bill providing that the highway commission shall designate all the roads, using the present state system as a basis.

McCullough suggested it would be better for the legislature to name the road, using the present state system as a basis. Others quickly went over to his views. Senator Proctor suggested that legislative designation would have a good "psychological" effect.

STUDENTS ENDORSE COUNTY UNIT BILL

RESOLUTION PASSES UNANIMOUSLY
AT S. T. C. ASSEMBLY.

TELEGRAPHED TO MILLER

Repudiates Statement of Opposition's
Leader That Educators of State
are Not Behind Measure.

Students and faculty of the State Teachers College united yesterday in unanimously repudiating the statement of O. B. Whitaker, Hickory county representative in the Missouri Assembly, that the educators of the state are not behind the county unit bill.

Meeting in assembly yesterday afternoon, the entire student body of more than six hundred and the faculty adopted a resolution which was sent by telegraph to Dr. Jesse Miller, Sr., Nodaway county's representative. It has also been sent in a letter to E. M. Carter of Columbia, secretary of the Missouri State Teachers' Association. The resolution reads as follows:

"The students and faculty of the Northwest Missouri State Teachers' College, by unanimous vote, repudiate the statement of Representative Whitaker of the Missouri General Assembly that educators of the state are not behind the County Unit Bill, and in assembly Friday, June 24, express our endorsement of this measure."

It was signed by S. C. Richeson, president of the student assembly, and Earl C. Duncan, secretary. These officers were chosen yesterday in an organization perfected for discussion of any questions that may come up later during the summer session.

At the same assembly, the students voted to take Tuesday, July 5, as a holiday and to make up the time lost by attending classes on the following Saturday. The proposition was submitted to them by President Ira Richardson. It will give the students four days, Friday, Saturday, Sunday and Monday, to visit their home over the Fourth of July.

Would Entail Estimated Expendi-
ture of \$4,000

At a meeting of the subscribers of the Peoples Telephone Union held this afternoon at the court house, plans were discussed for doing away with the old telephone poles in Maryville and laying wires in cables in conduits. The expense of this improvement is estimated at over \$4,000.

No definite action was taken at this meeting, the matter merely being discussed among the subscribers. A later meeting will be held to take definite action on the proposition. The telephone company has 940 phones on their exchange here.

Mortien Evans, who has been working near Sheridan, came home last night to spend the week end.

TWO ATTEMPTS AT ROBBERY FAILED

THIEVES FRIGHTENED AWAY
LAST NIGHT AT TWO HOMES

ARE DISTURBED IN ACT

Early Return of Miss Elizabeth Keck
Saves Many Valuables—Other
Visit at Colby Residence.

Robbers, thought to have been amateurs, made two unsuccessful attempts to rob Maryville homes last night. The first, at the home of Mr. and Mrs. E. W. Keck, 404 West Second street, was nearly carried out, but was frustrated by the early return of one of the members of the family. The second was at the J. E. Colby home, where the thieves secured nothing.

Silverware was piled in a heap on dining room and kitchen tables when the looting of the Keck home was interrupted. A roll of bills kept to pay household expenses was also left with the silverware. The money amounted to about \$51.

The family were all away from home early in the evening. Miss Elizabeth Keck was the first to return, about 9:45 o'clock. As she stopped on the side porch she stumbled against a chair, and she heard a man running through the front hall and out the front door. The intruder knocked over a jardiniere in the hall in his hurried passage.

Miss Keck was as badly frightened of herself and hurried to the home of Dr. F. M. Ryan for help. When a search of the house was made, silverware and other valuable articles were found piled on tables in the dining room and kitchen. The thief had even left a roll of bills lying on the table. So far as could be determined, he had taken nothing. Keys to the Keck automobile had been taken from their place on one of the walls but were also left on the table. There was much valuable jewelry in the house which the housebreaker did not have time to take with him.

Miss Keck did not see the robber or robbers in their escape and it is not known whether there were one or more.

Another supposed attempt at robbery of James F. Colby, 912 South Walnut Street, Mr. and Mrs. Colby were in bed but not asleep, about 12 o'clock, when they heard footsteps leading up a back stairway and heard someone turn the doorknob. When Mr. Colby reached the door, however, the intruder was gone. Nothing was missing from the house.

W. C. PIERCE DOES NOT YEARN FOR STATE JOB

Is Not Applicant For Superintendent
of Insurance or Any Other
Post, He Declares.

W. C. Pierce is not an applicant for appointment as superintendent of insurance in Missouri. Neither is he an applicant for or seeking any other appointment. This statement was made by Mr. Pierce to a Democrat-Forum representative today.

A dispatch from Jefferson City printed in yesterday's Democrat-Forum stated that Mr. Pierce had been frequently mentioned for this position in political circles at Jefferson City. On account of being a close friend of Governor Hyde, it is said, Mr. Pierce has been suggested for several appointments.

Mr. Pierce's term as a member of the board of managers of State Hospital No. 2 at St. Joseph expired recently when the new law was passed creating a bi-partisan State Board of Managers, composed of six members, each.

To Visit at Plattsburg

Mrs. Mary Malotte who has been visiting in Maryville with her son, Dr. Karl Malotte, and family, left this morning for Plattsburg, Mo., to spend the summer with her daughter Mrs. Frank Armstrong, who will add Keck.

LAMKIN SPEAKS BEFORE HAMILTON CLUB IN CHICAGO

Warns Against Squandering of \$120
Monthly Allowance by Voc-
ational Students.

Uel W. Lamkin, newly elected president of the State Teachers' College of this city, spoke Thursday in Chicago at a luncheon in the Hamilton Club. The following is taken from yesterday's Chicago Tribune:

"Don't let the service men, the vocational education students, squander their maintenance of \$120 a month. Uel W. Lamkin, director of the federal board of vocational education, made this plea yesterday at a luncheon in the Hamilton club.

"The public should see that these men make the most of their opportunity," he said. "More than \$5,000,000 will be spent in Chicago for their maintenance."

RED CROSS FINDS MUCH WORK TO DO

NUMBER OF CALLS FOR AID IS
CONSTANTLY INCREASING

HELPS THE DISABLED

Outline Shows What E-Service Men
Are Entitled to, And How
To Get It.

Although it is nearly three years since the armistice was signed, the American Red Cross finds that the number of disabled ex-service men in need of help is constantly increasing, says Miss Betty Turner, home service secretary.

The Red Cross is charged with the obligation of helping these men just as it was during the war, but often it has difficulty in reaching them. Certain service is available to them from the Red Cross and from the government. It is theirs for the asking.

The Democrat-Forum has been asked by the Red Cross to help ex-service men to get what is due them by publishing a brief outline of the service the government and the Red Cross are prepared to give them.

1. Compensation and medical service. Veterans who can furnish affidavits showing (1) that their disability is due to or aggravated by war service, and (2) that others are dependent upon them, may secure additional compensation from the government or medical treatment where it is needed. The Red Cross will act as agent to help veterans fill out application blanks, and prepare detailed affidavits and see that they reach the proper authorities. The secretary at the nearest Red Cross Chapter will help them do this.

2. Certain cases in which veterans call for occasional medical treatment. Where they have no money, the Red Cross often can provide for them temporarily while this treatment is being given, and, if necessary, often is able to lend small sums of money without interest.

3. In cases where veterans are sent to hospitals, the Red Cross is able to perform these services: (1) see that the man gets transportation to the hospital to which he is assigned; (2) provide means for such recreation as the doctor allows him to enjoy; (3) follow up compensational claims pending with the Bureau of War Risk Insurance; (4) files his application for vocational training and (5) endeavors to look after his family during his absence.

4. Where a veteran's condition warrants it, the Red Cross will provide financial aid, pending the outcome of (Continued on page 4)

GOMPERS SCORES GREATEST VICTORY

IS ELECTED PRESIDENT OF A. F.
L. OVER JOHN LEWIS.

CALLS OPPONENT YELLOW

Mine Head Attacked for Calling Off
Strike in 1919—Vote Is
25,022 to 12,324.

Denver, June 25.—Samuel Gompers, 71-year-old veteran, scored the greatest triumph of his career here today when for the fortieth time he was elected president of the American Federation of Labor. The official vote was Gompers 25,022; Lewis 12,324.

The end strike of 1919 was made the leading issue of the election by Gompers supporters. Speeches nominating the veteran attacked Lewis for his action in calling off the strike. Lewis was challenged to face his accuser who charged him with "yellowness" in re-voking the strike order.

Denver, June 25.—Today the hand of fate will determine whether Samuel Gompers will meet the end of his forty years' career as the leader of the American labor movement.

When balloting for president began at the 41st annual convention of the American Federation of Labor early today, supporters of John Lewis, head of the United Mine Workers of America, and 41-year-old opponent of the veteran head of the labor organization, were claiming victory by an overwhelming vote. The Gompers forces admitted Lewis has a strong fighting chance because of last minute "flops."

EXPERTS TO PLAN FIGHT ON HESSIAN FLY HERE

Entomologist Will Visit Infested
Wheat Fields and Make Recommen-
dations for Pest's Eradication.

A. C. Burrill, an entomologist of the agricultural extension service of the University of Missouri will arrive in Maryville June 29 and will spend June 30 investigating the hessian fly situation in this county. His investigation will be made to determine recommendations for hessian fly control this fall.

The pest has been in several fields in the county this spring. The expert will visit these fields and determine the extent of infestation. A vigorous campaign to eradicate the fly will probably be waged this fall.

PHILOS AND EUREKANS TO CLASH IN BASKETBALL

Post Season Game Is Scheduled for
Thursday to Settle Long-Stand-
ing Rivalry.

A post season basketball game will be held at the college next Thursday afternoon, when the Eureka and Philomathean Literary Societies will clash. Rivalry has been keen between the two societies this summer and this game is to settle an old argument between members of the societies.

Dope is not obtainable on the outcome of the contest, as neither of the managers of the teams has announced his lineup. The Eurekaans have perhaps the largest number of players to pick from, but there are several players in the Philos' ranks who have shown up well in past years.

Big Bill Richards is the captain of the Eureka team and Charles Wells is captain of the team from the Philos.

Loren Esley, Russel Allan, and Floyd Foreman will leave Monday for South Dakota to work on the ranch of Egley's uncle, John Thompson.

News From Over The County

The Ravenwood Gazette.

Allen Stangley, an old time resident of Ravenwood and vicinity, is quite ill at the home of Mr. and Mrs. Judd Henry west of town.

Henry Krueter, of Paragould, Ark., arrived here Wednesday of last week for a visit with his sister, Mrs. B. B. Holtman, and other relatives and friends. Mr. Krueter was a resident of this community about 28 years ago.

Mrs. Geo. Ellsworth received Saturday, a letter from her son, Leslie, saying the boys who left from Ravenwood for the Kansas harvest fields were located at Glen Elder, and all had plenty of work at \$5 per day, and there were not enough men for the harvest.

Mr. and Mrs. V. O. Hunt entertained at a 6 o'clock dinner at their beautiful country home west of town on Monday evening. Mrs. Henry Toel of Conception, Miss Leola Yarnell of Kansas City, and Mrs. Walter Davis of this place.

The Elmo Register.

The band stand was moved Friday evening from its place in the center of Main street, to the lot of R. T. Lamar on the south side of the street, where the livery stable formerly stood.

It was regarded as being dangerous to pedestrians at the former location because it was difficult to see an approaching automobile.

There have been 54 young foxes caught within a radius of a few miles

of Elmo and College Springs.

Rev. E. J. Speer returned to the old home in northeastern Missouri two or three weeks ago to move his family out here to his charge.

While gone he was taken sick, and was detained a few days. He and a boy came in last Friday night and the other members of the family will arrive in a few days, and all be at home in the parsonage of the M. E. church, South.

A child of T. D. Calfee of Hale, Mo., was kicked by a horse Tuesday of this week and died as a result.

J. W. Calfee and C. L. Calfee, brothers of T. D. Calfee left Wednesday to attend the funeral.

Mrs. C. L. Calfee went along with them. The child was about eight years of age, and their oldest girl.

The Hopkins Journal.

Geo. Kivett, 10 years of age, came near drowning one day last week while in bathing in the 192 river with several other boys of about the same age. George cannot swim and when he got into the water beyond his depth, he went down and when he came up, he was strangling. Fritz Mutti, is not as large nor as old as George, but swims well and at once went to George's aid and after quite a struggle, succeeded in getting George "where he could touch bottom." Ed Webb will now have to share honors with Fritz in the sobriquet "The Little Hero."

Rev. O. W. Freeman and wife arrived home Monday night from Kansas City. Mr. Freeman is feeling as well as could be expected after undergoing an operation and expects to fill his pulpit next Sunday night.

Seventy-eight years ago in Michigan, T. W. Porter of this city celebrated his first birthday. He did not care as much about it or have as good a time, as he did last Sabbath afternoon, when his good wife invited the family in to help him celebrate his 78th milestone. About twenty-six were present to enjoy the refreshments of ice cream, cake and candy and to wish him many more birthdays as happy in the years to come.

The Barnard Bulletin

With the weather at that could be desired and the farm work well up, Barnard entertained one of the largest crowds Saturday night that has ever been in our city, except during the picnic. Automobiles found it difficult to find places to park, the streets were jammed and as everyone seemed to enjoy themselves. The crowd came early and stayed late.

Mrs. J. L. Gillet left Wednesday morning for St. Joseph where she

She will organize new lodges and instruct those which have already been organized. Her headquarters will be in St. Joseph.

Drew Ferguson purchased the blacksmith shop from W. O. Snyder last Friday and took possession Wednesday morning. Ferguson is a son-in-law of Mr. and Mrs. Wm. Hager and is making his home at the Hager home. Ferguson is a good blacksmith and will no doubt have good patronage.

Considerable excitement was shown just west of Barnard Tuesday when a crowd of people from that neighborhood were looking for Wayne Cotter, whom they thought was lost. It seems that Wayne went fishing in the morning, expecting to return at noon. Either the fish were biting good or time passed quickly, for when he returned home he found no one there and so went toward the home of his parents, Mr. and Mrs. John Cotter.

He found no one at his parents home either, and was about to return to his fishing when the phone rang and he "listened in". The conversation over the phone was something like this:

"Have they found him yet?"
"No, no one seems to know where he went. A number are along the river looking for him."
Cotter, (hunting for him) "Who are they looking for? Who is lost?"
"Wayne Cotter."
"Well, you don't have to look any further for this Wayne."

The Burlington Junction Post

Tuesday the W. G. Carpenter garage was confronted with a condition a little out of the ordinary. The big White truck belonging to Fred Gowdy on ranch eight was reported out of commission, and they were given the job of bringing it to the garage for repairs. The service car was not large enough to pull the truck in, so the boys harnessed up a Fordson tractor and went after it.

Miss Margaret Miller of Kansas City arrived here yesterday morning and will visit at the home of her parents, Mr. and Mrs. L. E. Miller, until Sunday. Miss Miller has a new position with the government hospital at Kansas City, at a substantial increase in salary. She was previously employed by the Pennsylvania Rubber Company, also of Kansas City.

W. W. Jones of Maryville has purchased the Swan property in the north part of town of his brother, Geo. M. Jones. Mr. Jones has leased the property for a short time to John Zook who is employed at the W. G. Carpenter garage.

A small crowd gathered at the home of Mr. Ira Williams Sunday to help celebrate his 66th birthday anniversary. All came with well filled baskets with which they went to the North Grove to enjoy the bounteous

The Skidmore News.

Four boys between the ages of 13 and 16 years were held up and robbed about one mile west of town last Saturday night about midnight.

Harry and John Fullerton, sons of Mr. and Mrs. Sherman Fullerton, had walked to town early in the evening, and two sons of Chas. Hall, had come on horseback. Shortly before midnight the four boys started home, all walking, the Hall boys leading their horses. Near the Geo. Collins farm, one mile west of town, they met a car. A man got out of the car and pointing a gun at the boys, demanded their money. He obtained fifty cents from one of the Fullerton boys. None of the others had any money.

Mr. Whitmire of Kansas City, a representative of the E. T. Archer Co., came Monday evening and made a survey of the city of Skidmore, preliminary to offering an estimate on the cost of a water system. Having gained the necessary information, and a map of the town, he returned to Kansas City Tuesday evening and will send in his estimate as soon as possible.

Harry Worl underwent an operation at Maryville last week, caused by the wound he received while in service. The last report was that he was resting well and getting along nicely.

Wheat harvest is about finished in this neighborhood. Most all the wheat between Skidmore and Maryville was cut by Wednesday of this week. Straw and heads are short but the quality is reported as being pretty fair. This is about the earliest that harvest has been in this part of the state for some time.

W. F. Barber and family motored to Maryville Saturday evening to see their daughter, who has been in the hospital for the past ten days. The little girl fell off the fence, breaking her leg just below the hip. She is getting along as well as could be expected.

A. F. Howden came home Wednesday to attend to business for a few days. Mr. and Mrs. Howden have been visiting their three sons in Kansas City for the past three weeks, and expect to make a visit in Illinois within the next month.

I. R. Willets, of Baxter Springs, Kan., came Tuesday morning. He sold his property in the east part of town to W. R. Linville. Mr. Willets will leave for Baxter Springs the last of the week.

The Conception Courier.

Little Joseph, son of Mr. and Mrs. A. J. Kimmitt, had the misfortune to fall and break his collar bone recently. At the present time he is getting along nicely.

Mr. and Mrs. Leslie Nye of Keytesville, Mo., formerly of Parnell, were guests at the L. E. Beam home Wednes-

day evening. Before her marriage Mrs. Nye was Miss Corrine Coffman. Mrs. G. S. Parrott entertained a number of young folks on Wednesday evening of last week in honor of her daughter, Mildred.

Those present were Misses Thelma Buckridge, Ludema Tannehill, Marjorie Walters, Emma Thomas, Edith Giles, Vestal Weatherman, Grace, Bertha and Mabel Lattin, Messrs. Orval and Lawrence Hodges, Haleott Toel, Emmett and John Tannehill, Delbert and Leonard Morrissey, Paul Walsh, Paul Roof, Frank Schafer, Chester Walters, Dr. R. F. Farrell and wife, John Walsh and wife.

Miss Lennie Roof, accompanied by Mrs. A. E. Coffman of Parnell, left this morning for an extended visit with friends at Valiant, Colo., and other western cities.

The Parnell Sentinel.

Mr. and Mrs. T. A. Brashcar returned last week from Secor, Ill., where they visited Mr. Brashcar's sister, Mrs. G. L. Patterson, who has been very ill with diabetes for several months. Mrs. Patterson will be 90 years old in September. Another brother, R. M. Brashcar, Kirksville, Mo., was also present. The combined ages of the two brothers and sister is 246 years or an average of 82 years. Mrs. Patterson being 90, T. A. Brashcar being 81, and R. M. Brashcar 75.

B. E. Mumford brought in two fine catfish the latter part of last week that weighed seven pounds each. Uncle Frank catches nothing but the big ones.

O. W. Keever has a field of fine corn that he had "laid by." Oscar knows how to make the corn grow.

The Guilford Times.

Harold Brown, son of Herb Brown and wife, had the misfortune to get one of his thumbs torn off at the first joint Tuesday evening. He was shutting the pasture gate after taking his cow out, when another cow ran into the gate and his thumb was caught between the gate and post, tearing it off.

Mrs. Lizzie Clark has returned from Rochester, Minn., where she underwent treatment at Mayo Sanitarium.

Mrs. T. D. Parr of Hamilton, Mo., is here visiting her mother, Mrs. Mary Whiteford and other relatives.

The farm clubs of this vicinity will foster a real country celebration on July 4 in a grove on the Hugh Whiteford farm.

There will be a big basket dinner, fried chicken 'en everything.

The whole community is invited to join in and help make this the glorious success that the patriotic day should be; and the way it looks now it will be, for a very interesting program has been arranged: speeches, band music,

moving pictures on the speakers' platform at night and various other features.

The Clearmont News.

The wheat harvest has been in full blast for the past week, and if the weather continues good the most of the wheat in this locality will be in the shock by Saturday night.

Another street light has been put up on the main business street this week. The light is near the crossing in the center of the main business block. This is a good idea and will make the street much lighter.

Mrs. A. P. Skeed went up to Clarinda Saturday and attended the funeral Sunday of her brother-in-law, Andrew Feese, father of Everett Feese, who formerly lived here. Mr. Feese was past 83 years of age. He died very suddenly, being out in his yard when he fell to the ground and died before he could be taken into the house.

Ludlow Crane, who has been attending school at Urbana, Ill., since last fall, returned home last week, his school being out.

Circus By Motor Trucks

An Eastern circus organization will tour the country this year in motor trucks costing from \$12,000 to \$30,000 apiece. It is estimated the saving in rail charges will go a long way to pay for this equipment. The motorized circus will be able to travel anywhere and, being independent of train service, may make towns not often visited by large shows.

Elmer Young and William Trullinger of Bedison are in town today.

Mr. and Mrs. Roy Lyle of Burlington Junction are Maryville visitors today.

Virgil Rathbun Home.

Virgil Rathbun, a student of the Missouri University at Columbia, arrived home yesterday to spend the summer with his parents, Mr. and Mrs. Eugene Rathbun.

China Plans Air Service

A special issue of airplane service stamps of 15, 30 and 45-cent denominations has been prepared by the Chinese post office department, in anticipation of the air transmission planned for the near future in that country.

Parrot Jams Traffic

A green parrot swinging in a tree in Evanston, Illinois, jammed traffic for blocks by calling out, "Not so fast—go slow! Stop!" The same squad of officers who captured the parrot rounded up an organ grinder who had a monkey trained to climb into second-story windows and pass out articles of value. When captured the monkey had a valuable vase and lavalliere which he had stolen from a bedroom.

Chinese First Settlers

Prehistoric Mexico was occupied and colonized by Chinese, according to archeologists—whose researches have resulted in discoveries of incense burners and peculiar three-legged dishes made only by the Chinese.

Shower for Miss Sewell

Miss Vi June Golden gave a kitchen shower this afternoon for Miss Mary Sewell whose marriage to Mr. Sherman Alan Montgomery takes place next Wednesday. The party was held at the Golden home on North Avenue and the guests were limited to a few close friends of the bride-elect. The afternoon was spent in making tea towels, and the gifts for the honor guest were presented in a decorated clothes basket. The pink and white color scheme was used in the decorations served. The guest list included Miss Sewell, Mrs. Harry Dunshie of Stanberry, Mrs. Kenneth Floyd Davis of Colby, Kan., Misses Mary Woodriddle, Nina Bent, Lucile Holmes, Ruby Irwin, Vella Booth, Mary Lewis, Gladys Sewell, Mildred Shinabargar and Haleyon Hooker.

Mrs. Hackett Hostess

The Mozingo Valley H. K. G. club met Thursday afternoon at the home of Mrs. Hackett, near Pickering. The hostess was assisted in entertaining by her sister, Miss Mildred Burks. An interesting event of the afternoon's entertainment was a question box which followed the regular business meeting. Refreshments were served by the hostess assisted by Mrs. John Green and Miss Mildred Burks. The visitors for the afternoon were Marjorie Hackett, Mildred Burks, Olivia Bloomfield and Evelyn Hackett of Maryville. The members present were Mrs. James Lett, Mrs. William Hantz, Mrs. Ira Kelley, Mrs. William Berkey, Mrs. John Green, Mrs. Lewis Pistole, Mrs. Roy Killiam, Mrs. James Jones, Mrs. Warren Bloomfield, Miss Pearl Berry and Miss Nora Bloomfield. A program was arranged for the next meeting which will be held on July 7, at the home of Mrs. James Jones. Roll call will be answered with Bible verses.

In connection with the club meeting a party was given for George Burks and Junior Hantz to celebrate their third birthday anniversaries. Games, furnished entertainment for the children. The table was centered with a large birthday cake surrounded by lighted tapers. The guests included George Burks, Virginia and Gaylen Edward Hackett, Forrest Lett, John Marshall and Thelma Green, Roland, Donald, Lottie, Junior, and Darrel Dean Hantz, Verna Pistole, Hene Kelley, Pauline, Herbert, and Evaline Killiam, Joyceplane Jones and Jimmy Berkey.

Picnic and Movie Party

The members of the No Name Club of Parnell enjoyed a picnic supper Thursday evening at College Park and afterwards formed a line party at the Empire theatre. Those present were Mrs. Inez Cummings, Misses Marie and Anna O'Day, Frances Nelson, Mertie Hutchison, Verna Court, Zoia Dinsmore, Christie Waldier, Bess Welch, Rosetta Klass, Creta Barber, Georgia Gaynor, Lena Poland, Hazel Miller, Gertrude Spire, Marie Berg of Maryville, Marie Sherr of San Francisco, Calif., and Harley Night, Frank and Reginald Welch, Bluford Hefflin, Frank Auer, William Holtman of Ravenwood, Fred Messbarger and William Boedeker.

Missionary Meeting

Miss Mary Q. Evans was elected president of the Woman's Home Missionary society of the First Methodist church at a meeting held yesterday afternoon at the home of Mrs. E. B. Thompson. Other officers elected were first vice-president, Mrs. R. S. Braniger; second vice-president, Mrs. Emma Eckles; treasurer, Mrs. E. M. Houchens; recording secretary, Miss Bertha Swallow; corresponding secretary, Mrs. A. W. Littler. Mrs. R. S. Braniger led the devotions and Mrs. Charles Stilwell was the program leader. Mrs. H. S. Dowell gave a reading, "Come Unto Me" and Mrs. A. W. Littler gave a reading on "Why Have a Department of Christian Stewardship." Miss Mary Q. Evans told of a mission home she had visited on a recent trip. Two vocal numbers were given by Mrs. O. L. Curl and following the program refreshments were served by the hostess and Mrs. Herbert Wamsley, Mrs. John Shippis, Mrs. Charles Stilwell and Mrs. A. W. Littler.

Rebekah Lodge

The losers in a recent membership contest entertained the members of the Rebekah Lodge and their families with a picnic at College Park Thursday night. About seventy-five were present, being taken from the hall to the park in automobiles. After the basket supper, the members returned to the hall, where Mrs. Tressa Moore was initiated. Among the picnicers were: Mr. and Mrs. J. M. Hantz and family, Mr. and Mrs. W. D. Williams and family, Mr. and Mrs. J. C. F. Taylor and family, Mr. and Mrs. V. A. Guthrie and family, Mr. and Mrs. Alfred McNeal and family, Mr. and Mrs. J. W. Cornell and family, Mr. and Mrs. Marion Smith and family, Mr. and Mrs. Henry Trullinger and family, Mr. and Mrs. Alfred Jones and family, Mr. and Mrs. D. R. Palmer and family, Mr. and Mrs. Howard Whaley and family, Mr. and Mrs. Jesse Daniels and family, Mr. and Mrs. Leslie Rhodes, Mr. and Mrs. Jacob Moore, Mr. and Mrs. Milo Ashford and family, Mr. and Mrs. John Lockhart and family, Mr. and Mrs. Lon Hughes and family, Mrs. Miranda Hefflin, Mrs. Lucy Caudell and son, Mrs. Mary Gray and daughter, Miss Dessa Gault, Mrs. Elizabeth Bagby, Miss Leta Daniels, Theodore Caster, Misses Bessie and Ada Dinsmore, Miss Mary Taylor, Miss Bess Danner, Dell Appleby, Virgil McCormick, Miss Esther Neal and two guests.

Reelofson Reception

Mr. and Mrs. I. C. Reelofson celebrated their twenty-fifth wedding anniversary last night at their home in Barnard. About one hundred guests attended and several were present who were guests at the wedding twenty-five years ago. Punch was served during the evening and those assisting the hosts in serving and entertaining were Mrs. Paul Gorsuch, Mrs. J. F. Reelofson, Mrs. J. L. Mendenhall, Mrs. Paul Sawyers, Misses Rose Frazee, Bernita Henderson, Mabel Davison, Florine Pollard, Reba Cliser, Noma Robinson, and Clara Reelofson. A short pro-

gram was given during the evening which included an instrumental duet by Mrs. I. C. Reelofson and Miss Rose Frazee; a vocal solo by Mrs. Paul Sawyers; vocal solo, Mrs. R. W. Briggs; vocal duet, Mrs. Paul Sawyers and Frank Reelofson accompanied by Mrs. I. C. Reelofson on the piano and Delman Reelofson on the clarinet. A quartet composed of Misses Bernita Henderson, Florine Pollard, Reba Cliser and Noma Robinson, also sang. The pink and white color scheme was used and carnations and garden flowers were used in decorating. The guests from a distance were Mr. and Mrs. Paul Sawyers and son of St. Joseph, Mrs. E. E. May, Mrs. Phoebe Frazee, Mr. and Mrs. J. F. Reelofson and son, Frank, Miss Clara Reelofson, Miss Rose Frazee and John Frazee, all of Maryville.

Zero Picnic Postponed

The Zero club picnic scheduled for tomorrow afternoon has been postponed on account of the rain.

Foster Dinner

The Misses Foster will entertain at dinner tomorrow complimentary to Mr. and Mrs. Fulton Dixon and daughter, Mrs. Gladys, of Kansas, who are visiting relatives in Nodaway county. Additional guests will be Mr. and Mrs. William Foster and W. W. Jones.

To Have Picnic

The employees of the Townsend retail store will go on an all day picnic tomorrow on the 102 River South of Maryville. All of the employees of the store are planning on taking this outing. They will leave about nine in the morning and will return tomorrow night.

Yehle Birthday Dinner

Miss Theresa Yehle gave a dinner party last night in observance of the birthday anniversary of her sister, Miss Katherine Yehle. Covers were laid for Miss Yehle, Mr. and Mrs. Conrad Yehle and sons, Ralph, Carlos and Cleo, Miss Anna Lehmer, Mrs. William Marks of Murray, Ia., Clara Theresa McCaffrey and the hostess.

Lawn Party

A lawn party was given last night by Misses Anna and Helen Leamer at the home of their parents, Mr. and Mrs. H. A. Leamer on East Lawn Avenue. The guests included members of their Sunday school classes. The lawn was attractively decorated in colored lights and small tables were arranged on the lawn, the tables being decorated with ferns and flowers. The early part of the evening was spent in playing croquet and table games. Refreshments were served by the hosts assisted by Mrs. F. M. Compton, Mrs. H. H. Mutz, Miss Besse Graves and Miss Amelia Butcherus. The guests then assembled in the house where a mock wedding was held with Cleo Holt as bride and Charlotte Welchel, the groom. Miss Mary Cornutt caught the bride's bouquet. Those present were Mrs. H. H. Mutz and daughter, Virginia, Mrs. F. M. Compton, Misses Besse Graves, Amelia Butcherus, Cleo Holt, Katherine Remus, Pauline Swinford, Mary Bell Fisher, Mildred Wray, Mary Cornutt, Dorothy Dow, Hope Moore, Vira Fitz, Treva Phipps, Alma Appleby, Charlotte Welchel, Alene Holt, Gladys Thompson, Boulah Mutz, Fern Murray, Opal Hantz, Mary Coe, and Viola Leamer, the hostesses and parents, Mr. and Mrs. Leamer.

To Omaha

Simeon Wright and sister, Miss Marie, went to Omaha, Neb., yesterday for a visit of several days.

Boy's Finger Dislocated

While playing baseball yesterday afternoon Theodore Hieronymus of near Pickering was struck on the left hand, and the third finger was dislocated in two places. He was given treatment by a Maryville physician.

Robinson Guests

Mr. and Mrs. George Heaton of Craig, Mo., are visiting in Maryville at the home of Mrs. Heaton's uncle and aunt, Mr. and Mrs. J. B. Robinson.

Loris and Verne Claycomb of near Pickering visited relatives at Orsburg last Saturday and Sunday.

John Murrin received a letter yesterday from C. C. Corwin, in which Mr. Corwin said that his family had rented a cottage in Branson, Mo., in the heart of the Ozarks. They are planning to spend a week or so there.

A. L. Nash returned last night from a trip to Jefferson city and Warrensburg. While in Warrensburg he visited his sister, Mrs. D. W. Bayer.

A. M. Colley of Conception Junction was in Maryville yesterday on business.

J. R. Brink went to St. Joseph this morning.

To Examine Doctors

All doctors and dentists entering Mexico must pass an examination. Those who have been practicing three years in that country may continue provided they register diplomas from foreign institutions of good standing.

J. W. LATTIN, CONCEPTION JUNCTION, DISAPPEARS

Was Last Seen in Maryville Last Wednesday—May Have Become Mentally Unbalanced

J. W. Lattin of Conception Junction has disappeared from his home and has not been heard from since Wednesday morning, June 15. He was seen in Maryville on that day. Since then no word of any kind has been received by his wife or friends.

Mrs. Lattin thought her husband might have become mentally unbalanced through becoming overheated while working on the section gang the day before. He spent a bad night, his wife says. She could give no reason why he might have left his home. Lattin is about 50 years old. He has black hair, a sandy mustache, a low complexion, weighs about 130 pounds and when last seen wore a green coat, blue trousers, blue shirt and black hat.

The county authorities have not been notified.

MOOTUES OF THE STATES

All the states have mottoes and most of them are very inspiring. Here is a list:

Alabama, "Here we rest". Arizona, "Founded by God". Arkansas, "The people rule." California, "I have found it." Colorado, "Nothing without God." Connecticut, "He who transplanted still sustains."

Delaware, "Liberty and independence."

District of Columbia, "Justice to all."

Florida, "In God we trust."

Georgia, "Wisdom, justice, moderation," and "Agriculture and commerce."

Idaho, "Hail."

Illinois, "National union, state sovereignty."

Iowa, "Our liberties, we prize, and our rights we will maintain."

Kansas, "To the stars through all difficulties."

Kentucky, "United we stand, divided we fall."

Louisiana, "Union, justice and confidence."

Maine, "I direct."

Maryland, "Manly deeds, womanly words," and "You have crowned us with the shields of your will."

Massachusetts, "With the sword she seeks quiet peace under liberty."

Minnesota, "The star of the north."

Michigan, "If thou seekest a beautiful peninsula, behold it here."

Missouri, "The welfare of the people is the supreme law."

Montana, "Gold and Silver."

Nebraska, "Equality before law."

Nevada, "All for our country."

New Mexico, "It increases by gains."

New York, "Excelsior."

North Dakota, "Liberty and union, one and inseparable, now and forevermore."

Oregon, "The union."

Pennsylvania, "Virtue, liberty and independence."

Rhode Island, "Hope."

South Carolina, "Prepared in mind and resources, ready to give life and property," and "While I breathe I hope."

South Dakota, "Under God the people rule."

Tennessee, "Agriculture, commerce."

Vermont, "Freedom and unity."

Virginia, "Ever so to tyrants," and "Perseverance."

Washington, "Bye-bye."

West Virginia, "Mountaineers are always free men," and "Liberty and fidelity."

Wisconsin, "Forward."

Wyoming, "Let arms yield to the plow."

Gold in Coal Field

In the Cambria coal field of Wyoming, small quantities of gold and silver are present in the coal veins. In South Africa a similar occurrence has been noted, the coal occurring in a small seams running through the quartzite ore.

The best seats in a theatre from a visual point of view are those in the first tier of dress circle.

Find Boa on Ship

A twelve-foot boa constrictor, a stowaway from some tropical port, recently arrived in New York Harbor where he was stunned by a fall caused when the Hoboken workmen tore away his resting place. He was boxed up and sent to the zoo. Floods have been prevalent in the tropics and it is thought he crawled through a porthole from a drifting tree.

Miss Marie Cook has returned to her work at the Yehle Dry Goods Company after a six weeks' vacation.

Mr. and Mrs. Fred Yeomans of Sheridan are visiting with Mrs. Yeoman's sister, Mrs. N. F. Humber today.

R. S. Broyles has returned from Bethany, Mo., where he visited his brother, Dr. F. H. Broyles, for several days.

CONGRESS PROBES FARM CONDITIONS

JOINT COMMITTEE BEGINS ITS INVESTIGATIONS.

HOW BILLS NOW STAND

Cooperative Marketing and Anti-Grain Speculation Measures Pass House and are Now Before Senate.

Washington, D. C., June 25.—The joint Congressional Commission to investigate agricultural conditions will organize and begin its inquiries next week. Senator Irvine L. Lenroot of Wisconsin is chairman. The other Senate members are Arthur Capper of Kansas, Charles L. McNary of Oregon, Joseph T. Robinson of Arkansas, and William J. Harris of Georgia. The House members are Frank H. Funk of Illinois, Sydney Anderson of Minnesota, Ogden L. Mills of New York, and Peter G. Ten Eyck of New York.

A number of representatives of cold storage interests have been by the agricultural committee on cold storage legislation. Chairman George N. Haugen of the House Agricultural Committee has introduced a bill, authorizing the Secretary of Agriculture to fix standards and inaugurate an inspection service.

Upon receiving the Haugen packer Bill the Senate Committee on Agriculture substituted, with the exception of the enacting clause and the number, the Norris bill and has discussed it for several days.

The Tinscher Bill, which prohibits short selling of grain and which has passed the House, is lodged with the Senate Agricultural Committee.

The Volstead Cooperative Marketing Bill has passed the House and is with the Senate Judiciary Committee. Hearings on the French Truth-in-Fabric Bill probably will not be reopened until after July 4.

The Curtis Bill making 5 1-2 percent interest permissible on Federal Farm Loan Bonds passed the House and is before the Senate.

Cotton farmers in the districts where the pink boll worm is known to exist, who have lived up to the regulations promulgated by the Sec-

retary of Agriculture where he has established non-cotton zones, will be reimbursed in part by the Federal Government for their losses. This was made possible by the passage of a joint resolution making available \$200,000 for this purpose.

The meeting of millers, elevator men, insurance interests, and farmers, called by Secretary of Agriculture, Harry C. Wallace and Secretary of Commerce Herbert Hoover on June 13 to consider the feasibility of a warehouse receipt financing plan resulted in the appointment of a committee to prepare recommendations. The Farm Bureau did not care to go on a joint committee, but is taking the general proposal under advisement.

Girl Walks 40 Miles to Wed

Durango, June 24—Rough roads and swollen streams failed to dampen the ardor of an Indian maiden living on the Ute reservation south of here.

When John Miller, a Navajo ranch hand, could not afford to "lay off" in order to go to the girl he had promised to wed, he sent word for her to join him at the Wyatt ranch on the Red Mesa, near here, where they were married.

It was forty miles from her home to Wyatt ranch. She walked the entire distance, leading a goat as her betrothal gift. When she reached La Plata river it was out of bounds and there was no bridge for many miles. She staked the goat in a grassy plot and swam the river, continuing her walk to the Wyatt ranch. The newlyweds later rescued the goat.

Married With Two Black Eyes

Chicago, June 24—Anthony Jorgesen, manager of a rubber company, claims to be Chicago's only "black-eyed" bridegroom.

Jorgesen was wedded to Miss Laura Hansen, of Evanston, while carrying two beautifully-decorated eyes. One black and purple, the other purple and black.

Jorgesen tried to crank his "flivver" on the morning of his wedding. The flivver balked and biffed him between the eyes.

"He looks good enough to me even with 'black eyes,'" said Mrs. Jorgesen as the knot was tied.

Ants Menace Building

A one-hundred-thousand-dollar exchange building in Wichita, Kansas, is threatened with destruction by hordes of ants, driving upward from the earth through mud tubes. Oak lumber stored under the building has been practically consumed and the ants have tunneled as far as the second floor following pipe lines. Fly paper placed in the path of the ants was bridged with dirt by the insects.

Frank Dick of Arkoe is in Maryville today on business. He reports that the roads are in good condition.

ALLEGED WAR GRAFTERS WILL BE PROSECUTED

Harry Stimson Is Urged to Direct the Government's Inquiry—Ablest Lawyers to Assist.

Washington, June 25.—Harry Stimson of New York has been asked by Attorney General Daugherty to direct the government's search and prosecution of alleged war grafters, it was learned today. Stimson was a member of the cabinet of former President Taft. He has been urged by Daugherty to accept the post with assurance that he will have assistance of some of the country's ablest lawyers. Stimson is now abroad.

MALE SINGERS AT COLLEGE ORGANIZE A GLEE CLUB

Meeting This Afternoon Reveals Several Good Voices—Prof. C. D. Kutschinski Director

A meeting was held this afternoon at four o'clock at the conservatory of music for the purpose of organizing a men's glee club at the college. There were a number of men present who have had training in voice before, and Prof. C. D. Kutschinski expects to have a good club in running order within a week or so.

Since the summer is already partially over it will not be possible to teach anyone to sing, Professor Kutschinski says. The purpose is to teach those who already know how to sing to get together and produce some harmony.

This is the second time this year that plans have been made for a glee club. The other time was in the winter quarter. About twenty men enrolled in the club but there was not good attendance at the rehearsals.

HOUSE AUTHORIZES G. O. P. TO APPOINT 104 CLERKS

Jefferson City June 25.—The House adopted today a resolution authorizing the Republican members to appoint 104 clerks, in addition to 10 employees on the doorkeeper's force, 5 pages and 8 stenographers. The clerical work of the session will be light and the House started off with thirty.

Five clerks allotted to the Democratic minority were cut off upon the motion of Representative Charles Ferguson of Ripley, a Democrat, who said that twice as many clerks had been authorized by the majority as was needed to transact the business of the House.

Next Week At the Movies

At The Empire

William S. Hart, the famous motion picture star, firmly believes that there is no human love or loyalty that exceeds that of an animal for a man. Probably Mr. Hart's most cherished possession is his beautiful Pinto pony the veteran of many a hazardous feat before the camera. Since the filming of "The Toll Gate", the new Hart picture coming Monday and Tuesday. Bill loves the Pinto more than ever—with reason.

In his role of Black Deering, leader of a bandit gang, Bill is hotly pursued by a sheriff's posse. He escapes them at one point by making a leap of over sixty feet from a cliff into the raging river below. But again they pick up the trail. This time Bill, as Deering, seeks to elude them by riding his Pinto pony into the river bed and following the stream as it leads into a subterranean passage under the cliffs.

The location for this scene was Sonora, in Northern California. Bill rode his pony into the Stygian blackness of the underground water trail. But suddenly the water grew deeper. The Pinto started to swim. Its hoofs struck an underwater ledge, and he slipped backward, throwing Bill into the icy cold stream. The beast tried in vain to climb the steep sides of the cave. He tumbled backwards. Then followed a grim fight with death in the part of both man and beast, until at last the Pinto saw a glint of light and swam to it with mad speed, dragging Bill Hart after him.

"He sure saved my life", said Bill later, "and he can have all I have got."

On Wednesday and Thursday Hobart Bosworth will be seen in the leading role of "The Brute-Master". No advance information is available on this picture. There will also be a Sunshine comedy on Wednesday night and Pathe News and the next episode of "The Ranger" on Thursday night.

Music lovers of Maryville have a treat in store for them on next Wednesday and Thursday. Brown Brothers Saxophone Six, considered by critics throughout the country as one of America's most entertaining organizations will be the feature attraction on these two nights. In the past few years saxophones have become a very popular musical instrument and to hear a saxophone sextette is a rare treat, as there is only two of these such attractions on the road today. For the last few years, Brown Brothers have been recognized as premier saxophone artists of the country. They have made all the saxophone records for the Columbia Phonograph Co. for the last five years and for 36 weeks were at the Amsterdam Roof Garden with the Midnight Follies. This sextette comes from Omaha where they have been playing the last week and from here they go to Kansas City.

Do you believe the second choice in love is sometimes the right one? When pretty Judith married Billy Westover, the quality in him that chiefly attracted her was a certain wild happy-go-luckiness. And that, combined with his taste for surreptitious liquor and cabarets, led finally to their divorce, a few hours before Billy met his fate in front of a motor truck. Judith witnessed the accident, but she hadn't heard that a slump in the Stock Market had wiped out Billy's fortune just previously. Nor was she aware in the months that followed that Princeton Hadley, Billy's chum, was living up to an agreement and paying alimony to her lawyer that should have come out of her.

ex-husband's estate. And when Judith discovered this she also discovered that she was in love with Prince ton.

How it all turns out is best left to Enid Bennett and the clever cast of players who are supporting her in her new Ince picture, "Her Husband's Friend," showing Friday and Saturday. Miss Bennett was never more winsome and the romantic story by Marjorie Benton Cooke fits her like a glove.

At The Electric

"Sheltered Daughters", starring Justine Johnstone will be shown Monday and Tuesday. It is a story of New York life, and shows some of the adventures which came to a girl who had been kept closely confined at home by a too careful father, and permitted no knowledge of life save as she found it in romantic novels. Naturally enough, her ignorance of life very nearly led her into trouble, and it was only the kindness of fate and the alertness of her lover that saved her from an international scandal.

On Wednesday night Louise Glaum and Charles Ray will be featured in "The Wolf Woman". The plot is built around Lella Aradelle who makes a religion of her beautiful body and is serene in the knowledge that no man had ever withstood the lure of her sensuous attractions. To enslave and then cast aside her victims had become a passion. The mother of Rex Walden, Lella's latest lover, in an attempt to save her boy, begs her eldest son, Franklin to intercede with the siren; but he, too, becomes ensnared in the net, and not even the suicide of Rex lessens the mad infatuation. But Adele, Franklin's fiancée, contrives to meet Lella, and thereafter to visit her often, accompanied by Franklin; and the contrast between the two women is so forcibly brought out that Franklin at last realizes the tawdry tinsel of the soul of Lella and turns again to his sweetheart. Lella spurned for the first time in her life becomes mad with rage and seeks surcease in drink. While gloating over her beautiful image before a mirror she falls and her face is hideously scarred forever. Forsaken she is left alone to battle with remorse during the long gray years to come.

"Ducks and Drakes" is the name of the feature picture for Thursday and Friday, with Bebe Daniels in the leading role. "Ducks and Drakes" tells a most amusing and original story of a modern young girl who is making one frantic stab for the pleasures of life before settling down to what she considers the humdrum of matrimony. One of her principal methods of gratifying a craving for excitement is to call random numbers on the telephone, engaging in a quiet flirtation should the answering voice be agreeable and masculine. Such propensity while diverting, could easily have got Teddy into danger—and this fact Rob Winslow, her fiancé, determines to drive home to her highly mind. He enlists as aides in the plot three fellow club members, two of whom have already figured as the other party in some of Miss Teddy's clandestine phone "parties". The resulting conspiracy carries the star into many complications with such bewildering rapidity as to bring the laughs in an unbroken stream.

Realart has assembled an excellent cast to support Miss Daniels in the production. Jack Holt the leading man, is one of the most popular actors in his profession, while Wade Boteler, William E. Lawrence and Edward Martindel have all appeared at various times in leading roles in Realart productions.

Miss Elizabeth Cook, who taught the last year at Omaha, Neb., is home to spend the summer with her mother, Mrs. Paul J. Cook.

RED CROSS

(Continued from page one).

the government's adjustment of compensation claims.

5. The Red Cross home service, as at present constituted, strives to give veterans help for their families where needed; advice and assistance in working out their personal and family problems; medical service for those dependent on veterans, including care in maternity cases; assistance in legal problems; follow up claims for compensation; assistance in reinstating and converting insurance in cases of mental incompetency; assistance in looking after Liberty bonds, back pay, bonus claims, and loss of baggage; assistance in getting certified copies of discharge papers, in obtaining wound and death certificates, information as to Victory medals.

6. The Red Cross will show veterans how to make out applications for vocational training, whether at home or in a hospital. The Red Cross has information about various trades available to the veterans and puts him in touch with medical officers to see if he should and could take such training. The veteran is advised how to complete these arrangements and how he can get transportation to the training centers. While he is in training efforts will be made to care for his family at home.

7. Families of veterans who have died can secure the help of the Red Cross in preparing and following up claims for government insurance and compensation. The Red Cross also gives advice and instructions as to the return of bodies from overseas.

8. It is not necessary for a veteran to go to Washington to present his government claims and requests. He needs only to ask the nearest Red Cross chapter, or, if it is unable to perform this service, he should write Southwestern Division Headquarters in St. Louis.

ANTI-BEER MEASURE MAY PASS HOUSE NEXT MONDAY

Willis-Campbell Bill Would Prevent Sale as Medicine—To Consider Tariff Measures Soon.

Washington, June 25.—The Willis-Campbell bill preventing sale of beer as a medicine will probably pass the house Monday, Republican Leader Mondell stated today at the White House following a conference with the President.

The house program calls for consideration of the new tariff legislation July 6, Mondell states.

MARYVILLE ATHLETIC CLUB OPENS BASEBALL SEASON

St. Joseph Stockyards Team Will Meet Creston White Sox—Starts at 3 o'clock

The Maryville Athletic Club baseball team plays its first game tomorrow with the Creston White Sox, a salaried team sponsored by the American Legion of Creston.

The local representatives are the St. Joseph Stock Yards, playing for the Athletic Club. This team is composed of a fast aggregation of ball players. Some of the local boys may break into the club line-up if they can make the grade. The St. Joseph boys are fast and it will take a fast player to displace any man on the team. Loren Egley, who played on the freshman team at the University of Missouri, is one of those who will probably be given a chance to show their speed in the next few weeks.

The game will start promptly at 3 o'clock, according to T. F. Reimer, one of the business men backing the club.

"Tell them to be on time because the game will start at three o'clock if there are only two spectators present," he said.

Bartholomew and Newlon will umpire the game. These men are both competent officials and the game will be run off speedily and squarely.

The Stockyards team is a salaried aggregation. They will receive sixty per cent of the gate receipts of every game that they win and forty per cent of the ones that they lose.

Mr. and Mrs. Les Murray of Harmony are in town today.

* Doyle Thomas of Harmony is in town today on business.

DRESSMAKER MADE WELL

Followed a Neighbor's Advice and Took Lydia E. Pinkham's Vegetable Compound

Vernon, Tex.—"For three years I suffered untold agony each month with pains in my sides. I found only temporary relief in doctor's medicine or anything else I took until my husband saw an advertisement of Lydia E. Pinkham's Vegetable Compound. I mentioned it to a neighbor and she told me she had taken it with good results and advised me to try it. I was then in bed part of the time and my doctor said I would have to be operated on, but we decided to try the Vegetable Compound and I also used Lydia E. Pinkham's Sanative Wash. I am a dressmaker and am now able to go about my work and do my housework besides. You are welcome to use this letter as a testimonial as I am always glad to speak a word for your medicine."—Mrs. W. M. STEPHENS, 1103 N. Commerce St., Vernon, Texas.

Dressmakers when overworked are prone to such ailments and should profit by Mrs. Stephens' experience. Write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., about your health. Your letter will be opened, read and answered by a woman and held in strict confidence.
